TO: SUPREME COURT OF THE STATE OF NEW YORK,
COUNTY OF ALBANY

Petitioners-Plaintiffs, by their attorneys, O'Connell and Aronowitz, as and for a
Petition-Complaint, respectfully allege as follows:

NATURE OF THE CASE

1. This is a hybrid Article 78 proceeding and Declaratory Judgment action,
brought in the form of an Article 78 proceeding. *See* CPLR 103(c). The Petitioners-
Plaintiffs are the Oneida County towns of Vernon and Verona and Michael McDonough,
Daniel Deal, James Anderson and Melvin Phillips, who are residents, citizens, property

owners, and taxpayers of the Town of Vernon, and who are also eligible and registered to vote in statewide elections.

2. Petitioners-Plaintiffs are challenging the constitutionality of Chapters 174 and 175 of the Laws of 2013 which, *inter alia*:

- Ratified an agreement that had been previously negotiated by Governor Cuomo with the Oneida Indian Nation requiring the Tribe to support and not fund any opposition to a proposed Constitutional amendment to be voted on by the People at the next statewide election scheduled for November 2013. That proposal would repeal the Constitution's current prohibitions against casino gambling and substitute in its place language authorizing such gambling "as regulated by the State"; and
- Provided that in exchange for the Tribe's support, the Tribe would enjoy a 10-county territorial monopoly in Central New York to conduct casino gambling free and clear of any competition; the State and Madison and Oneida Counties would withdraw their legal opposition to the Tribe's attempt to take 17,000 acres of land in the two Counties into trust thereby surrendering sovereign jurisdiction and regulatory control by state and local governments over such land; and the State and Counties committed not to oppose any future land into trust application by the Tribe for as much as 8,000 additional acres of land within the two Counties; and
- Adopted a comprehensive and detailed plan for allowing and regulating casino gambling to take effect if and when the Constitutional amendment is approved, notwithstanding the fact that the Legislature had no power to authorize or regulate such gambling, was not elected to do so, and could not do so until and unless first authorized by the People pursuant to a Constitutional amendment that has yet to be approved.

3. In addition, Petitioners-Plaintiffs seek to nullify not only the legislation that ratified the Agreement between Governor Cuomo and the Oneidas, but also to nullify the Agreement itself and enjoin any State or Madison or Oneida County officials from implementing it or expending any state funds to administer or carry out the aforementioned provisions challenged in this litigation.

4. This case raises profound issues involving fundamental rights that are the bedrock of a Constitutional democracy; namely, the right to vote, the integrity of the

voting process, the right to freedom of speech and association, the right to equal protection under the Law, and the right of the People to amend or not amend, as they see fit, the Constitution via a free and open process. That process should not be corrupted, or manipulated, or rigged, in advance, by State officials who seek to improperly use the resources and power of the State to *require* certain individuals and/or groups to support – and not fund opposition to – a proposed Constitutional amendment. That is what happened here.

5. It is important to understand how the Governor got into a position to exert leverage and place pressure on the Oneida Indian Nation and to extract from it a promise to support rather than oppose a Constitutional amendment the Governor strongly favored but which, until the agreement, the Oneida Nation had staunchly opposed. The Governor was later joined by the Legislatures of Madison and Oneida County and the New York State Legislature; together they sacrificed the interests of the Towns of Vernon and Verona and individual taxpayers in those Towns for the sake of winning approval of the Constitutional amendment. The way they did so was blatantly illegal and an affront to the integrity and sanctity of the fundamental right of the People of the State to vote and to decide how they should be governed in a democratic society.

6. Article XIX, section 1 of the State Constitution specifies one way to amend the Constitution. The houses of two successively elected legislatures must first approve a “concurrent resolution” containing a proposed Constitutional amendment. If the Legislature so acts, then the People of the State of New York must then also approve it in a statewide election before it can take effect.

7. The current Constitution prohibits commercial gambling and directs the

Legislature to pass laws to prevent it. New York State Constitution, Art. I, § 9. In 2012, and at Governor Cuomo's behest, a concurrent resolution was introduced in the New York State Legislature containing a proposed Constitutional amendment that would eliminate the prohibition against casino gambling and permit it "as regulated by the State." That resolution passed both houses in 2012. However, as previously mentioned, before it could be voted upon by the People, a second passage of the resolution was required in 2013 by the new Legislature elected in November 2012.

8. Following first passage, however, opposition to the proposed Constitutional amendment surfaced from many constituencies, not the least of whom was the Oneida Indian Nation, which operates a major Las Vegas-style gambling casino (the Turning Stone Casino) in the Town of Verona, Oneida County, just off Exit 33 of the Thruway.

9. The Oneida Indian Nation currently enjoys a geographical monopoly with respect to casino gambling in Central New York and it wants to keep it that way. The Oneidas have been able to operate a casino since 1993, despite the State's Constitutional prohibition against casino gambling, on the theory that such prohibition is preempted by the Federal Indian Gaming Regulatory Act ("IGRA").

10. IGRA provides that if a State permits, as New York State does, some gambling, if only for charitable purposes, then an Indian tribe may operate a commercial casino free of other state restrictions, provided the operation occurs on "Indian land," as defined by IGRA, and provided further that the tribe has entered into a Tribal-State Compact with the State permitting it to operate such a casino.

11. In 1993, then-Governor Mario Cuomo entered into a Compact with the

Oneidas to authorize such gambling. However, subsequent litigation successfully challenged the validity of the Compact because the Governor had acted unilaterally and the Compact had never been ratified by the State Legislature. *Peterman v. Pataki*, 21 A.D.3d 1387 (4th Dep't 2005), *lv den* 24 A.D.3d 1328 (2006); *cert den.*, 541 U.S. 1077 (2006). *See also, Saratoga County Chamber of Commerce v. Pataki*, 100 N.Y.2d 801 (2003).

12. An additional legal cloud descended over the Turning Stone operation on March 29, 2005 when the U.S. Supreme Court ruled that land, including the Turning Stone land owned by the Oneidas, was not sovereign Indian land and was, therefore, subject to State sovereign jurisdiction. *City of Sherrill v. Oneida Indian Nation*, 544 U.S. 197 (2005).

13. The Oneidas were fully aware of the ominous implications of the decision in *City of Sherrill, supra*. If the land on which Turning Stone was located was not Indian land, IGRA did not apply and Turning Stone was clearly an illegal operation under Article I, § 9 of the New York State Constitution, as it is currently worded. Accordingly, less than a week after the decision was handed down, the Oneidas filed an application with the U.S. Secretary of the Interior and the Bureau of Indian Affairs within the Department of the Interior to have such land placed in trust under a Federal law that allows the Secretary of the Interior to hold land in trust for the benefit of an Indian tribe. 25 U.S.C. § 465. Once taken into trust, that land is free from state and local sovereignty and taxes, and may also be gambling-eligible under IGRA.

14. The Oneidas, however, not only sought to have the Turning Stone land placed into trust, but, in addition, approximately 17,370 acres of land owned by the Tribe

throughout Oneida and Madison Counties. Given the profound implications such a massive takeover of land would have with respect to the impact on the tax rolls, the loss of state and local governmental control, and the confusing “checkerboard” pattern of alternating state, federal and Indian sovereignty control over such land, the State, the Counties of Oneida and Madison, and the Towns of Vernon and Verona, among others, strongly protested the application and urged the Secretary of the Interior not to approve it.

15. In May 2008, however, the Secretary agreed to approve the application to the extent of allowing approximately 13,000 of the 17,370 acres to be taken into trust. This land, located throughout Oneida and Madison Counties, included the property on which Turning Stone was operating.

16. Thereafter, the State and counties jointly filed litigation in Federal District Court in the Northern District of New York, challenging the approval, as did the Towns of Vernon and Verona in a separate legal action. In September 2012, U.S. District Court Judge Lawrence E. Kahn placed the application “on hold” and remanded the case back to the Department of the Interior to make a determination as to whether the Tribe was even eligible to have its land taken into trust. *New York v. Salazar*, 2012 WL 4364452 (N.D.N.Y. 2012). The Court based its decision on a 2009 U.S. Supreme Court decision holding that Indian tribes were not eligible for trust status unless they had been fully recognized as an Indian tribe in 1934 at the time of the adoption of the legislation authorizing such land into trust transactions. *Carcieri v. Kempthorne*, 555 U.S. 379 (2009). That is where the case currently sits, awaiting further action by the Bureau of Indian Affairs.

17. It is clear that up until very recently, therefore, the State, and the Counties

of Oneida and Madison, were vehemently opposed to the Oneidas' application to have land taken into trust because of the economic and jurisdictional havoc such a takeover would wreak on both those counties and the citizens who reside therein. That was all about to change, however.

18. While the Oneidas' Turning Stone Casino operation and its application to have land taken into trust remain in legal limbo by virtue of the Supreme Court's decision in the *City of Sherrill* and the pending federal court challenges, equally uncertain are the prospects for passage of the Constitutional amendment so strongly advocated by Governor Cuomo. As later detailed in this Petition/Complaint, newspaper pundits have described support for the Constitutional amendment as only "lukewarm," especially given the opposition by such powerful groups as the Oneidas and the Seneca Nation of Indians, another Native American tribe, which operates three casinos in Western New York where the Senecas also enjoy a geographical monopoly thanks to the Indian Gaming Regulatory Act's pre-emption of the State's Constitutional prohibitions against gambling.

19. Against this backdrop, Governor Cuomo sought to neutralize the major opponents to his proposal to amend the Constitution. One of the groups he targeted was the Oneida Indian Nation. To that end, in the spring of 2013 he initiated negotiations in secret with the Oneidas and, in particular, the Oneidas' designated Nation Representative, Ray Halbritter.

20. On May 16, 2013, Mr. Halbritter and Governor Cuomo met in Albany at the State Capitol for a celebratory signing of an agreement they had negotiated. In negotiating that Agreement, the Governor had managed to get the Oneidas to support,

rather than oppose, the Constitutional Amendment.

21. The citizens of Central New York and, in particular, the citizens of the Towns of Vernon and Verona in Oneida County, however, had to pay a very heavy price indeed. In exchange for the Oneidas' agreeing to support the Constitutional amendment and not fund any campaign against it, the Governor agreed, *inter alia*, as follows:

- To guarantee the Oneidas' geographic exclusivity within a 10-county region in Central New York where the Oneidas would be free of any competition in operating a gambling casino, regardless of whether or not the Constitutional Amendment that would allow other casinos to operate was approved;
- Despite the State's and the Counties' prior vehement opposition to the Oneidas' land into trust application, the Governor committed that the State and the Counties of Oneida and Madison would withdraw their Federal court challenge to the decision by the U.S. Secretary of the Interior to take 13,000 acres of land in Madison and Oneida Counties into trust, freeing such land from state and local regulation and taxation;
- The Governor agreed that the State would agree not to challenge the Oneidas if they sought to place as much as an additional 12,000 acres of land into trust, including 8,000 acres which had not yet even been identified;
- The Governor agreed that such land would be exempt from state and local property, sales, use and occupancy taxes and free from state and local zoning authority;
- The Governor agreed that the Counties would withdraw the tax foreclosure proceedings commenced against land owned by the Oneidas and which was in tax-delinquent status;
- The Governor agreed that the Legislature would ratify the Compact signed several years earlier by the Oneidas with Governor Mario Cuomo that permitted the Oneidas to engage in casino gambling, thereby nullifying the prior Court determination invalidating the Compact because of the lack of legislative ratification;
- The Governor agreed that the Legislature would enact legislation incorporating the terms of the Agreement he had just negotiated with the

Oneidas; and said Agreement further provided that land in Oneida and Madison Counties that was originally part of the Oneidas' 300,000 acre historic reservation, as recognized in the 1794 Treaty of Canandaigua, would be considered a "reservation" regardless of who now owned fee title to the land. It should be noted that under Federal law, 18 U.S.C. 1151(a), any land that is designated as "reservation" land is considered "Indian Country" subject to the primary jurisdiction of the federal government and the Indian tribe and not the State. *Alaska v. Native American Village of Venetie*, 522 U.S. 520, 527 n.l. (1998).

22. The implications of this "deal" for the Towns of Vernon and Verona were devastating. They had lost the power to tax and/or regulate the use of land within their sovereign jurisdiction. But Governor Cuomo got what he wanted. In exchange for what the Oneidas would be receiving, he extracted from them, in writing, their commitment to both support the Constitutional amendment he so badly desired and to not fund any opposition to it. This commitment was reduced to writing in Section VI(C)(7) of the Agreement (Exhibit "F"), which reads as follows:

The Nation shall support any referendum authorized by the State Legislature following second passage of a concurrent resolution to amend the State Constitution to permit or authorize casino gaming. Additionally, the Nation shall not directly or indirectly fund any public education campaign or program opposing any such referendum, or fund directly or indirectly any litigation or administrative challenge in connection with any such referendum.

23. Section II(I) of the Agreement further provided that a breach of Section VI(C)(7), *supra*, would be considered a "material breach" of the Agreement.

24. The Agreement was thereafter presented to both the Oneida and Madison County Legislatures for ratification. Although several legislators in both counties raised objections to the Agreement, officials in both counties had been advised by the Executive Branch of State Government that if the counties failed to ratify the Agreement, the State

would negotiate a separate deal with the Oneidas and the Counties would not share in the revenue from the slot machines under a separate provision in the Agreement that the Governor had negotiated with the Oneidas. Both County legislatures thereafter ratified the Agreements and, on or about June 18, 2013, a bill entitled the “Upstate New York Gaming Economic Development Act of 2013” (A-8101; S-5883) was introduced into both houses of the State Legislature at the request of Governor Cuomo. That bill, *inter alia*, contained the following:

- Ratification of the Agreement the Governor had negotiated with the Oneidas dated May 16, 2013;
- Ratification of the 1993 Tribal State Compact that Governor Mario Cuomo had negotiated with the Oneidas purporting to permit the Tribe to engage in casino gambling;
- A comprehensive scheme to authorize and regulate casino gambling that was contingent on the approval by the voters of the Constitutional amendment at the November 2013 statewide election, and which included a carveout of a 10-county geographical area in Central New York where casino gambling would not be permitted in competition with the Oneidas, thereby confirming a provision of the deal that Governor Cuomo had negotiated with the Oneidas;
- A carveout of other geographic exclusivity zones in western and northern New York to accommodate the wishes of both the Seneca Nation of Indians in Western New York and the St. Regis Mohawks in Northern New York, respectively, where those tribes also operated casinos.

25. In late June, near the close of the regular 2013 legislative session, a majority of both houses of the State Legislature voted to pass A-8105, S-5883, and on July 30, 2013, the Governor signed said bill into law as Chapter 174 of the Laws of 2013.

26. Also at the very end of the 2013 legislative session, a majority of both houses of the Legislature approved the same concurrent resolution that the 2012 Legislature had approved to amend the Constitution to permit casino gambling. This

cleared the way for the resolution to be voted upon at the statewide election in November, in accordance with Article XIX of the State Constitution.

27. In this litigation, Petitioners-Plaintiffs seek first to enjoin any state or county officials from implementing or carrying out any of the terms of the Agreement entered into by the Governor with the Oneidas dated May 16, 2013. They contend that the Governor, the State Legislature, and the Madison and Oneida County Legislatures exceeded their authority in entering into, ratifying and codifying such an agreement that requires the Oneidas both to support and not to fund opposition to the proposed constitutional amendment in exchange for receiving the extremely favorable treatment set forth in the May 16, 2013 Agreement.¹

28. While elected state officials surely have the right to personally urge individuals and entities to vote for or against a particular ballot proposition, they cannot use their authority as state officials, nor commit the resources or power of the State, to **require** persons to vote a certain way or not to speak out as a condition of or in exchange for receiving favorable treatment.

29. This blatant attempt, confirmed in writing, to effectively buy the support of, and stifle any opposition from, the Oneidas in order to ensure passage of a Constitutional amendment strikes at the very foundation of our democracy and subverts the sanctity of the electoral process. It not only infringes upon the First Amendment rights of the Oneidas, who may nevertheless be willing to forgo such rights for the sake of monetary gain and sovereign jurisdiction, it also undermines the rights of the rest of

¹ All Native American Indians are citizens of the United States and the state in which they reside and are eligible to vote in all State elections. *See* Indian Citizenship Act of 1924, Public Law 68-175, codified at 8 U.S.C. 1401(b).

the voting and taxpaying electorate who are entitled to a free and fair election that is not rigged or bought by public officials who abuse the power and resources of the State to ensure the outcome of a proposition on the ballot.

30. In addition to injunctive relief, Petitioners-Plaintiffs are asking this Court to declare the Upstate New York Gaming Economic Development Act of 2013, enacted pursuant to Chapters 174 and 175 of the Laws of 2013, illegal, null and void to the extent that it ratifies the aforementioned Agreement and carries out its terms by granting geographic exclusivity to the Oneidas to operate a casino free of competition, to the extent it ratifies the Tribal-State Compact executed by former Governor Cuomo with the Tribes, to the extent it recognizes all former land owned by the Oneidas in Madison and Oneida Counties as reservation land, to the extent it removes such land from the governmental control of the Towns, and to the extent it affords such land tax-free status.

31. Finally, Petitioners-Plaintiffs seek to declare those parts of the legislation purporting to authorize and regulate casino gambling unconstitutional because the current Legislature lacked the authority to authorize or regulate such gambling in any way. In enacting this legislation prior to any Constitutional amendment, the Legislature has pre-empted the right of the People by usurping the power to act before it has been given to them. By acting in advance of the approval of the Constitutional Amendment, this Legislature is seeking, in effect, to have the People not only approve a Constitutional amendment authorizing casino gambling, but to dictate, in advance, how that amendment will be implemented. That is not the province or prerogative of this Legislature, but only a Legislature convened after such an approval, assuming that approval is forthcoming. The Legislature has no power to tie the hands of the People in such fashion. Petitioners-

Plaintiffs McDonough, Deal, and Anderson are opposed to the proliferation of casino gambling in this State, and their right to equal protection under the law and the right to cast a vote on the amendment in November, on equal footing with every other voter, has been infringed by the actions of Respondents-Defendants to stack the deck and rig the election by buying off other voters through the abuse of their power. The Constitution is not for sale!

BACKGROUND

47. By Decision dated March 29, 2005, the United States Supreme Court ruled that, with the possible exception of a 32-acre parcel of land remaining from what was once a 300,000 acre reservation in New York State, the Oneida Indian Nation could not assert sovereignty over land even though the Tribe now holds fee title to such land. *City of Sherrill v. Oneida Indian Nation*, 544 U.S. 197 (March 29, 2005).

48. The Decision in *City of Sherrill, supra*, placed in doubt the legality of the operation by the Tribe of a so-called “Class III” Las Vegas-style gambling casino, known as the Turning Stone Casino, that the Oneidas had been operating since 1993 on land to

which they held fee title in the Town of Verona, claiming the right to conduct such operation under color of the provisions of the Federal Indian Gaming Act (“IGRA”), Public Law 100-497, codified at 25 U.S.C. 2701 *et seq.*; 18 U.S.C. §§ 1166-1168.

49. Under Federal court precedents, a tribe may operate a commercial casino pursuant to IGRA on “Indian land” even if such gambling is otherwise prohibited elsewhere within the State so long as the State allows some form of gambling for charitable purposes, as is the current case in New York. New York State Constitution, Art. I, § 9.

50. IGRA defines “Indian land” as land within the limits of a reservation, or lands held in trust by the United States, or land held in “restricted fee” over which a Tribe exercises governmental power. 25 U.S.C. § 2703(4).

51. Since, as a result of the decision in *City of Sherrill*, the land on which Turning Stone is located met none of the definitions of “Indian land,” the Oneidas, on April 4, 2005, six days after the Supreme Court’s Decision in *City of Sherrill*, made an application pursuant to 25 U.S.C. § 465 to place into trust not just the parcel of land on which Turning Stone was located, but approximately 17,370 acres of land described as follows:

1. Lands comprising approximately 3,428 acres in Oneida County which included the Turning Stone Casino, gaming-related amenities, five golf courses, and a gas station and convenience store.

2. Lands comprising approximately 6,475 acres in Madison County and Oneida County, housing the location of the Nation’s government, health, education and cultural facilities and activities, member housing, hunting lands, and other non-gaming enterprises including twelve gas stations and convenience stores, a newspaper operation, three marinas, and agricultural operations; and

3. Lands comprising approximately 7,467 acres in Madison and Oneida County that were generally undeveloped, including active and inactive agricultural lands.

52. Thereafter, the State of New York, the Counties of Oneida and Madison, and the Towns of Vernon and Verona, vigorously opposed the proposed trust application which, if approved, would have removed all lands taken into trust from the sovereign jurisdiction of the State of New York and from the local tax rolls, and in addition, would have exempted transactions conducted thereon by the Oneidas from all applicable sales taxes occurring on such land.

53. In the meantime, the Appellate Division, Fourth Department of State Supreme Court upheld an earlier ruling by the Oneida County State Supreme Court, invalidating the so-called Tribal-State Compact entered into in 1993 by then-Governor Mario Cuomo with the Oneida Indian Nation purporting to allow the Oneidas to operate the Turning Stone casino in accordance with IGRA. The Court held that the Compact was invalid because it had never been ratified by the New York State Legislature. After the Appellate Division ruled, the United States Supreme Court declined to review the matter. *Peterman, et al. v. Pataki*, 21 A.D.3d 1387 (4th Dep't 2005), *lv. denied*, 24 A.D.3d 1328 (2006); *cert. denied*, 549 U.S. 1077 (2006).

54. A valid Tribal-State Compact is also a prerequisite to the legality of an Indian tribe's operating a casino under IGRA. *See* 25 U.S.C. § 2710(d)(1)(C).

55. In May, 2008, the Bureau of Indian Affairs (BIA) within the U.S. Department of the Interior announced its decision to approve most of the Oneidas' land-into-trust application, approving the acquisition of approximately 13,004 acres of the over 17,000 acres the Oneidas had asked to have taken into trust.

56. Thereafter, the State of New York and the Counties of Oneida and Madison jointly filed suit in the U.S. District Court for the Northern District of New York challenging, on a number of grounds, the legality of the action taken by BIA in approving the application. *State of New York, et al. v. Salazar*, N.D.N.Y., Case No. 6:08-CV-00644 [LEK]. They contended, *inter alia*, that:

a) the Oneida Indian Nation was not a Federally-recognized tribe in 1934 and, therefore, pursuant to the U.S. Supreme Court's decision in *Carcieri v. Salazar*, 555 U.S. 379 (2009), the Oneidas were not eligible to have land taken into trust pursuant to 25 U.S.C. § 465;

b) the determination was arbitrary and capricious and would remove at least \$14.35 million annually from the tax rolls and frustrate the application of New York environmental, health, land use and other regulations, while creating conflicts that would inevitably arise from the "checkerboard" of alternating jurisdictions that would burden the administrations of state and local governments and adversely affect land owners adjacent to the patches of land taken into trust (the very concerns enunciated by the U.S. Supreme Court in *City of Sherrill*, *supra*, when it ruled that land owned by the Oneidas was not sovereign Indian land).

57. The Towns of Vernon and Verona also filed a separate lawsuit in the U.S. District Court for the Northern District of New York challenging the decision by the Secretary of the Interior to take land into trust (*Town of Verona, et al. v. Kempthorne*, case no. 6:08-CV-00647 [LEK]), alleging, *inter alia*, that (1) the Federal Government lacked the authority under the U.S. Constitution to take land into trust and thereby to

deprive the state of its sovereignty without its consent; (2) that the OIN was ineligible for land into trust treatment; and (3) that the decision was arbitrary and capricious for many of the very same reasons that the State and counties had alleged in their joint lawsuit.

58. In a decision dated September 24, 2012, U.S. District Court Judge Lawrence E. Kahn ruled that the application by the Oneidas to place the land into trust should be remanded to the Secretary of the Interior and the Bureau of Indian Affairs in order to determine whether, in fact, the Oneidas were a federally-recognized Indian tribe in 1934, as required by the Indian Reorganization Act as so interpreted by the U.S. Supreme Court in *Carcieri, supra*. See *New York v. Salazar*, 2012 WL 4364452* 13 (2012).

59. Thereafter, both the Counties of Oneida and Madison and the State of New York submitted arguments to the Bureau of Indian Affairs (BIA), stating their continued opposition to the proposed land into trust application of the Oneidas, and why the Oneidas were not a Federally-recognized tribe as of 1934 and why, therefore, the Tribe was not eligible for land into trust treatment. The case in federal court is still pending while awaiting a determination by BIA.

60. Meanwhile, and at the behest of Governor Cuomo, a resolution in the form of a Governor's Program Bill, was submitted to the Legislature in calendar year 2012 proposing to amend Article I, § 9 of the New York State Constitution by deleting the current requirement in Section 9 that prohibits commercial gambling and authorizing, in its place, "casino gambling regulated by the State..." A copy of the resolution and the Memorandum in support thereof are annexed hereto as Exhibit "A". Said resolution was thereafter approved by both houses of the Legislature during its 2012 session.

61. Pursuant to Article XIX, § 1 of the Constitution, if a joint resolution to amend the Constitution is approved by both houses of the Legislature, that exact same resolution must be approved by both houses in "... the next regular session convening after the succeeding general election of members of the State Assembly" (which, in this context, meant the calendar year 2013), and then, if approved a second time, it must be submitted to the voters for approval before the Constitution can be amended.

62. Even before the aforementioned Constitutional amendment was proposed, Raymond Halbritter, who represents himself to be the Oneida Nation Representative and the Chief Executive Officer of Nation Enterprises, the business arm of the OIN, was an outspoken vocal opponent of amending the State Constitution to allow casino gambling on a statewide basis, which threatened the monopoly OIN enjoyed in operating the Turning Stone Casino in the Central New York area. Without such Amendment, similar gambling operations could not be conducted by non-Indians by virtue of the New York State Constitution and implementing state law. *See*, New York State Constitution, Article I, § 9; General Municipal Law, § 185; Penal Law, Article 225. The Oneidas, however, could continue to operate despite the constitutional prohibition under color of IGRA, which preempted state law.

63. Attached hereto as Exhibit "B" is a letter from Mr. Halbritter published on September 14, 2011 on Indianz.com, a major website dealing with issues relating to Native American Indians. Said article questioned the wisdom of amending the Constitution and noted the difference between Native American gambling operations, which, he alleged, invested in the community where they are located, whereas other corporate casino operators' loyalties are not to the localities where they operate.

64. Attached as Exhibit "C" is an article written by a well-known reporter for the Associated Press covering the State Capitol in Albany, Michael Gormley, who quoted Mr. Halbritter as follows with respect to his opposition to the Constitutional Amendment:

"Indian nations are fundamentally different from the gambling industry," Halbritter said Wednesday. "Unlike them, we are governments that are obligated to invest our revenues and resources into our ancestral lands and surrounding communities right here in New York."

"New York is reeling from the legacy of pain left behind by companies looking to maximize only their own short-term profits," Halbritter said. "Elected officials should not continue the same pattern by rewinding the clock in support of a scheme to make our region like Atlantic City."

65. In 2013, it was necessary for the Legislature to prove the aforementioned Constitutional amendment a second time before it could be placed on a statewide ballot.

66. There was and there still remains considerable doubt as to whether the amendment will be approved by the voters, especially given the potential opposition from constituencies like the Oneidas, who, because of the wealth derived from their Turning Stone Casino operation, were well-positioned to fund an aggressive campaign against the Constitutional amendment.

67. The aforementioned opposition was referred to in a "blog" by Karl Sleight, former Executive Director of the New York State Ethics Commission and now a member of the well-known law firm of Harris Beach.

68. Mr. Sleight's blog, dated May 17, 2013, and entitled "Neutralizing the Opposition," is attached hereto as Exhibit "D". In said article, Sleight indicated that polls were showing "lukewarm" support for the Constitutional amendment to expand casino gaming in New York State.

69. In order to blunt or neutralize the opposition to the proposed Constitutional amendment, and beginning on or about April or May 2013, Governor Cuomo, and/or his representatives, initiated secret negotiations with Mr. Halbritter and/or representatives of the Oneida Indian Nation, culminating in an agreement, signed by the Governor and Mr. Halbritter, on behalf of the Nation, on May 16, 2013. The signing celebration was held at the State Capitol. A copy of an article appearing in the *Syracuse Post-Standard* is annexed hereto as Exhibit “E” and describes the broad outlines of the Agreement, a copy of which Agreement is annexed hereto as Exhibit “F”.

70. That Agreement, which had to be subsequently ratified by the Oneida County, Madison County and New York State Legislatures, purported to remove the legal obstacles to the Oneidas’ continuing to operate Turning Stone while at the same time removing their opposition to the proposed constitutional amendment, and provided, in pertinent part, that:

a) The State would withdraw its pending challenge in Federal Court to the approval by the U.S. Secretary of the Interior of the Oneidas’ Land Into Trust application to the extent of 13,004 acres;

b) The Counties would withdraw their pending legal actions to foreclose on Oneida-owned land on which the Oneidas had not paid property taxes;

c) Transactions occurring on Oneida-owned land taken into trust would no longer be subject to state or local excise, fuel, sales use or occupancy taxes;

d) The State and Oneida and Madison Counties would not oppose any future application by the Tribe to place the 4,366 acres into trust that the Secretary of the Interior had refused to approve out of the approximately 17,000 acres that the Oneidas had originally sought to place into trust;

e) Neither the State nor the Counties would oppose any future application by the Oneidas to place an additional and as yet unidentified 8,000 acres into trust over and above the land originally applied for (7,000 acres of which would be located in Oneida County and 1,000 in Madison County);

f) The Oneidas would be allowed to continue their Class III gambling operation at the Turning Stone Casino and the State agreed to ratify the compact that had originally been signed with the Oneidas by former Governor Mario Cuomo in 1993 but which had never been ratified by the Legislature;

g) The Nation's Turning Stone Casino operation would enjoy a ten-county wide geographical exclusivity zone, insulating itself from competition from any other casino operator or video lottery gaming devices operated by the State within that 10 county area; and

h) The State agreed that all of the land that was once part of the Oneidas' historic reservation (pursuant to the 1794 Treaty of Canandaigua) that was currently located in either Oneida or Madison County would still qualify as a "reservation" for purposes of current State and Federal law. (Note: under federal law, 18 U.S.C. 1151(a), reservation land is part of "Indian Country," and, as such, primary jurisdiction over such land rests with the federal government and Indians

rather than the State. *Alaska v. Native Alaskan Village of Venetie*, 522 U.S. 520, 527, n.1 [1998]).

71. In exchange for the foregoing, the Oneidas agreed to give the State a 25% share of any revenue it collected from the operation of its slot machines at the Turning Stone Casino, and out of which the State would make annual payments of \$3.5 million to Madison County, and \$2.5 million annually to Oneida County for 19 ¼ years. In addition, the Oneidas agreed to make a one-time payment of \$11 million which was to be turned over by the State to Madison County, which payment was not dependent on any revenues from the slot machines. *See* Settlement Agreement, § 3(A), (B), annexed as Exhibit “F”.

72. In exchange for the foregoing consideration, the Nation and its officials, individually and collectively, agreed pursuant to Section VI(C)(7) of the Agreement as follows:

The Nation shall support any referendum authorized by the State Legislature following second passage of a concurrent resolution to amend the State Constitution to permit or authorize casino gaming. Additionally, the Nation shall not directly or indirectly fund any public education campaign or program opposing any such referendum, or fund directly or indirectly any litigation or administrative challenge in connection with any such referendum.

73. Under the terms of the Compact, a breach of Section VI(C)(7) is considered a “material breach” of the Agreement. *See* § II(I) at page 2 of Agreement (Exhibit “F”).

74. Section VIII-B of the Agreement provided that: “The State will enact legislation approving this Agreement.”

75. Upon information and belief, subsequent to the execution of this Agreement by the Governor, either Governor Cuomo and/or his designated representatives advised elected representatives of both the Oneida and Madison Counties that unless the County legislatures of both counties ratified the foregoing Agreement, the State would proceed without them and enter into its own agreement with the Oneidas, whereby the Counties would receive no share of any money that the State was to receive from the Oneidas' operation of the slot machines pursuant to § 3(A) of the Agreement.

76. Upon information and belief, the Governor and/or his representatives also advised officials of Madison County that failure to ratify the Agreement would mean that Madison County would not receive any of the \$11 million the Oneida Indian Nation agreed to pay the State as a one-time payment pursuant to § 3(A) of the Settlement Agreement.

77. Thereafter, by majority vote, the Legislatures of both the Oneida and Madison County ratified the aforementioned agreement.

78. Thereafter, in June 2013, proposed legislation (Assembly Bill No. A-8101; Senate Bill No. S-8553 – a copy of which is annexed hereto as Exhibit “G”), entitled the “Upstate New York Gaming Economic Development Act of 2013” was introduced in both houses of the State Legislature and thereafter was passed by a majority vote in both the Assembly and Senate, and thereafter was signed into law by Governor Cuomo pursuant to Chapter 174 of the Laws of 2013, on July 30, 2013.

79. That legislation addressed a multitude of issues involving casino gambling, including how casino gambling would be legalized and regulated to be effective in the event that the People of the State approved in a statewide referendum,

scheduled to be placed on the ballot at the statewide general election in November 2013, the proposition contained in the concurrent resolution (Exhibit “A”) amending the State Constitution to permit commercialized gambling. *See* § 52 of Chapter 174 of the Laws of 2013.

80. Chapter 174 of the Laws of 2013 also added a new Article 13 entitled “Destination Resort Gaming” to the Racing, Pari-Mutuel Wagering and Breeding Law which, *inter alia*, identified zones and regions within zones where casino gambling could occur and assigned additional responsibilities to the Respondent-Defendant New York State Gaming Commission. Said section defined the process for licensing casino operations, the siting of casino operations by a newly-established New York State Gaming Facility Location Board, the process for licensing employees and vendors, how casino gambling games were to be implemented, and contained restrictions on the sale and consumption of alcoholic beverages. Said legislation further provided for the exclusion of certain persons from gambling establishments, and included provisions with regard to the taxation of gambling revenues, and programs for problem gamblers. Said legislation also provided for the appointment of a Gaming Inspector General to investigate corruption within the gambling industry created pursuant to this statute.

81. Section 1311(2)(C) of Article 13 of the Racing, Pari-Mutuel Wagering and Breeding Law, as added pursuant to § 2 of Chapter 174 of the Laws of 2013, provided that no gambling otherwise authorized pursuant to said section would be permitted in the counties of Oneida, Madison, Onondaga, Oswego, Cayuga, Cortland, Chenango, Otsego, Herkimer and Lewis which were exactly the same counties specified in the agreement

between the State and the Oneidas (Exhibit “F”) whereby the State guaranteed the Oneidas that it would not allow a casino to operate in competition against the Oneidas.

82. Section 11 of Chapter 174 of the Laws of 2013 ratified the settlement agreement entered into on May 16, 2013 between Governor Andrew Cuomo and the Oneidas (Exhibit “F”) and § 12 of Chapter 174 of the Laws of 2013 ratified *nunc pro tunc*, the Tribal State Compact that had been entered into back in 1993 by then Governor Mario Cuomo and the Oneidas purporting to authorize the Oneidas to operate a gambling casino pursuant to IGRA.

83. Section 35 of Chapter 174 of the Laws of 2013 further amended the previously adopted state budget by appropriating additional funding to administer and operate the State Gaming Commission because of the additional responsibilities imparted to it with the approval of casino gambling under said legislation.

84. In addition, pursuant to separate agreements that the Governor had entered into with both the Seneca Nation of Indians in Western New York and the St. Regis Mohawks in Northern New York, subdivision 2 of Section 1311 of the Racing, Pari-Mutuel Wagering and Gambling Law, as added by Section 2 of Chapter 175 of the Laws of 2013, provided that there would be no casino gambling west of Route 14 in New York State (to protect the territorial gambling exclusivity to the Seneca Nation of Indians) or in the Counties of Clinton, Essex, Franklin, Hamilton, Jefferson, Lewis, St. Lawrence and Warren County (to protect the territorial gambling exclusivity of the St. Regis Mohawks).

85. Section 2 of the Upstate New York Gaming Economic Development Act of 2013, as originally enacted (Chapter 174 of the Laws of 2013), also contained a provision adding a new § 1300 to the Racing, Pari-Mutuel Wagering and Breeding Law,

subdivision 15 of which stated that: “Political contributions from the casino industry will be minimized to reduce the potential of political corruption from casinos.”

86. However, the very same day that bill passed both houses of the Legislature, June 21, 2013, new legislation (A-8112, S-5904) was passed that repealed the aforementioned provision seeking to minimize political contributions from the casino industry as originally contained in Section 1300, subdivision 15, and that legislation was also signed into law by the Governor, on July 30, 2013 (Section 1 of Chapter 175 of the Laws of 2013). A copy of Chapter 175 is annexed hereto as Exhibit “H”.

87. Chapter 175 of the Laws of 2013 made further so-called technical amendments to Chapter 174, but left intact the main provisions establishing the structure whereby casino gambling would be authorized and regulated if the People were to approve a Constitutional amendment authorizing casino gambling at the November, 2013 statewide general election.

88. In June, 2013, both houses of the Legislature, again by majority vote, adopted the concurrent resolution (Exhibit “A”), thereby clearing the way for it to be voted on by the people at the statewide elections scheduled for November, 2013.

90. Native American Indians, including members of the Oneida Indian Nation, born in the United States, are citizens of the United States and the states wherein they reside and are eligible to vote in both state and federal elections. 8 U.S.C. 1401(b).

91. Neither the Governor nor the counties of Oneida and Madison nor the New York State Legislature had or have the authority to enter into an agreement or enact a law that conditions the receipt of certain benefits upon another person or entity provided that said person or entity agrees to support and/or not oppose a particular proposition to be voted on at any election, including a Constitutional amendment.

92. While elected officials are certainly free to voice their own personal opinions and urge others to vote for or against or otherwise support or oppose a particular proposition on a statewide ballot, they may not use the apparatus of State Government or State power and resources to require, either by contract or law, that others vote for or against or otherwise support or oppose a particular ballot proposition.

93. By entering into the Agreement (Exhibit "F"), later ratified by the State and County Legislatures, purporting to give the Oneidas

(a) a ten (10) countywide geographic exclusivity area, where they could operate their casino free from competition;

(b) the right to pick and choose up to 25,000 acres of land, 8,000 of which would yet to be identified, that could be placed into trust without opposition or challenge by the State and/or counties and which would be free from State and/or local regulations; and

(c) exemptions from applicable local State property sales use, fuel and occupancy taxes -- all on condition that the Oneidas and their officers support and not oppose a constitutional amendment to expand constitutional gambling scheduled to be voted on by the People --

the Governor and the other State and County Respondents-Defendants unconstitutionally attempted to “rig” an election, contrary to Plaintiffs-Petitioners McDonough’s, Deal’s, Anderson’s and Phillips’ rights to freedom of speech, including the right to be informed of the views of the Oneidas with respect to a pending ballot proposition, the right to equal protection under the law, and the right to vote in a fair and honest election in which the Government itself did not abuse its power to favor a certain outcome by, in effect, improperly buying votes.

96. Petitioners-Plaintiffs repeat and reallege each and every preceding paragraph of this Petition/Complaint as if fully set forth herein.

97. Article I, § 9 of the Constitution of the State of New York is part of the State Constitution’s Bill of Rights and currently provides in pertinent part that no

commercial gambling “shall hereafter be authorized or allowed within the state, and directs the state legislature to pass laws prohibiting it.”

98. In enacting Chapter 174 of the Laws of 2013, purporting to allow commercial gambling to take effect if and when the People approve the concurrent resolution annexed as Exhibit “A,” the Legislature has acted prematurely and without appropriate legislative authorization, and in violation of the Bill of Rights and, in particular, Article I, § 9 of the Constitution. Until and unless the People should decide to allow casino gambling, the Legislature can enact no laws purporting to regulate it notwithstanding the fact that such laws would be scheduled to take effect after such vote. The People did not elect the current Legislature to legislate with respect to casino gambling other than to prevent it. Voters in the towns of Vernon and Verona, and the individually named Plaintiffs herein, would also be placed in the position of having not only to vote on a constitutional amendment that could allow commercialized gambling, but will also, if they vote affirmatively, automatically put into effect a set of laws that regulate gambling in a particular way, notwithstanding the fact that the People had not authorized the current Legislature to vote on any such matter.

99. Accordingly, all provisions of Chapter 174 of the Laws of 2013 purporting to authorize and regulate casino gambling in the State are unconstitutional.

PRAYER FOR RELIEF

WHEREFORE, Petitioners-Plaintiffs respectfully request that this Court enter judgment as follows:

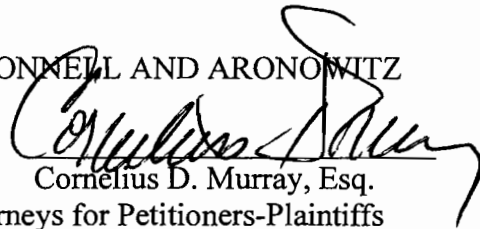

- Declaring that the Respondents-Defendants acted in excess of their constitutional authority in entering into and/or ratifying the May 16, 2013 Agreement with the Oneida Indian Nations; and

- Declaring the Governor and the Legislature have exceeded their authority in passing and signing into law legislation ratifying such Agreement and in passing and signing into law legislation purporting to authorize and regulate casino gambling before they had the power to do so; and
- Declaring Chapter 174 of the Laws of 2013, as amended by Chapter 175, unconstitutional; and
- Enjoining the Respondents-Defendants and any and all state officials and Oneida and/or Madison County officials from taking any steps or actions to spend any State funds whatsoever to implement in any way the aforementioned provisions of the Settlement Agreement and Chapter 175 of the Laws of 2013; and
- Granting Petitioners-Plaintiffs such other, further and different relief as the Court deems appropriate including, but not limited to, the costs and disbursements of this action and, as appropriate, awarding attorneys' fees.

PROGRAM BILL # 26

GOVERNOR'S PROGRAM BILL

2012

MEMORANDUM

CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

Proposing an amendment to subdivision 1 of section 9 of article 1 of the constitution, in relation to casino gambling in the state

PURPOSE:

To provide for the authorization of commercial casino gambling in New York State.

SUMMARY OF PROVISIONS:

Article 1, Section 9 of the State Constitution would be amended to authorize casino gambling as regulated by the state.

EXISTING LAW:

Article 1, Section 9 of the State Constitution generally proscribes all gambling except for four exceptions. These four exceptions are: (1) pari-mutuel wagering on horse racing; (2) State lotteries; (3) bingo conducted by certain charitable, non-profit and religious organizations; and (4) games of chance conducted by these same charitable, non-profit, and religious organizations.

JUSTIFICATION:

Casino gaming has significant potential to be a major economic engine for New York State, and we need to confront the reality of gaming in New York State. That reality is that we already have gaming throughout the State. While we do not fully regulate, realize it, or capitalize on it, we have gaming. Native Americans have five casinos in New York, and we have nine racinos at our racetracks. In fact, New York State now has more than 29,000 electronic gambling machines – more than Atlantic City, and more than any state in the Northeast or Midwest.

New York State is also surrounded by gambling. States and Canadian provinces just across our borders have legalized casino gambling. Our competitor states and provinces get the tourism, revenue, and good jobs that belong here.

It is estimated that over \$1 billion of economic activity can be generated from casino gaming. Passing a constitutional amendment would allow New York to do gaming right.

LEGISLATIVE HISTORY:

Over the past 40 years, numerous resolutions have been introduced to amend the State Constitution to authorize commercial casino gambling. None of these proposals have achieved the required second passage by the legislature and have never been subject to a vote of the electorate. In 2011, Assembly Bill No. 3293/Senate Bill No. 3326, Assembly Bill No. 3605/Senate Bill No. 3327, and Assembly Bill No. 6753 were introduced to authorize casino gambling. None of the bills were acted on.

BUDGET IMPLICATIONS:

There are no immediate budget implications, since the constitutional amendment cannot go into effect until January 1, 2014. Future budget implications would be dependent on the nature of the State's regulation of such gambling.

EFFECTIVE DATE:

Constitutional amendments require the passage of two separately elected Legislatures and approval by the voters. As a result, the amendment could not take effect until January 1, 2014.

Ray Halbritter: The real story about Indian gaming in New York

WEDNESDAY, SEPTEMBER 14, 2011

Filed Under: [New York](#) | [Opinion](#) [Like](#) [Tweet](#) [Share](#)

"State legislative field hearings were held last week examining whether or not the State will begin the historic process of seeking to amend the New York State Constitution to allow commercialized gambling throughout the State. Supporters of bringing the gambling industry into the Empire State have already started pushing the message that allowing such a dramatic transformation will be the solution to New York's economic problems. There is a reason, however, why such a bold change cannot happen merely by passing a law. This is one of the extraordinary instances when the Constitution must be amended by two terms of the legislature, followed by a statewide referendum approved by the voters, something which is rarely done.

Undoubtedly, supporters of this effort will point to Indian nations, such as the Oneida Nation, as proof of the positive impact gaming can have on New York's communities. The problem with that argument, however, is that Indian nations are fundamentally different from the gambling industry. Unlike them, we are governments that are obligated to invest our revenues and resources into our ancestral lands and surrounding communities right here in New York. This is the real story of the Oneida Indian Nation and its success.

Take a look at Central New York. The region was once one of the primary manufacturing centers of this country until the shareholders and board members of countless companies closed up and moved to places like Mexico and China in search of higher profits."

SYRACUSE, N.Y. -- The Madison County Board of Supervisors will vote today on the casino and land deal between the Oneida Indian Nation and the state of New York.

The meeting begins at 10 a.m. in supervisors chambers in the county office building in Wampsville. A memo from supervisors Chairman John Becker says the board will "receive, review, consider and if appropriate approve" the agreement announced May 16.

has sought additional revenues to pay for restorations and increases in funding for schools, public colleges and health care.

Ray Halbritter, the Oneida Nation Representative and CEO of Nation Enterprises and its Turning Stone Resort Casino, warns the state against allowing non-Indian casino competitors.

"Indian nations are fundamentally different from the gambling industry," Halbritter said Wednesday. "Unlike them, we are governments that are obligated to invest our revenues and resources into our ancestral lands and surrounding communities right here in New York."

"New York is reeling from the legacy of pain left behind by companies looking to maximize only their own short-term profits," Halbritter said. "Elected officials should not continue the same pattern by rewinding the clock in support of a scheme to make our region like Atlantic City."

Senate Majority Leader Dean Skelos, a Long Island Republican, isn't supporting or blocking casinos at this time, but supports a constitutional amendment that would require a public vote.

"He has talked about the potential for economic growth and jobs, but in the end it should be up to the people," said Skelos' spokesman, Scott Reif.

"It is a complex matter," Cuomo said. "It has numerous ramifications on a number of levels ... at this point I'm not encouraging, I'm not dissuading" the Legislature.

"At one time the question was gaming or no gaming," Cuomo said. "That's not the question anymore. There will be gaming ... so the question has shifted."

Cuomo said he hopes to have "a position by January, when the new session starts, as part of a new agenda for the new year."

"We're just beginning the process of letting people know the economic advantages of enhanced gaming," said James Featherstonhaugh, president of the New York Gaming Association pushing for more casinos. "We believe that once New Yorkers know all of the facts, this significant level of support will become an overwhelming level of support."

Quinnipiac questioned 1,016 registered voters Sept. 13-18. The poll has a margin of error of plus or minus 3.1 points.

Insights on Legal, Political and Regulatory Issues

Neutralizing the Opposition

Posted on May 17, 2013

By Karl J. Sleight

With much fanfare in the State Capitol, the governor and leaders of the Oneida Indian Nation announced the outline of an agreement that on its face resolved virtually all of the long simmering issues between New York state, local governments and the Nation. The agreement still requires several layers of government approvals, and addresses long standing issues including land claims, pricing differentials in cigarettes and gasoline, local government revenue sharing and more. Most importantly, for the immediate future was an understanding that the Oneida's will receive exclusive rights to casino gaming in a 10 county region of Central New York (Cayuga, Chenango, Cortland, Herkimer, Lewis, Madison, Oneida, Onondaga, Oswego and Otsego counties). Although the arrangement is not dependent on the state's push toward development of non-Native American casinos, one expects that the Oneida's will not engage in an effort to stop the state's efforts. Ray Halbritter, President and CEO of the Oneida Nation, is known as a shrewd negotiator and one has to wonder who will be the long term beneficiary of this announcement when the dust settles. Has the changed landscape now shifted the odds of added casinos in New York?

Recent polling shows lukewarm support for the constitutional amendment to expand casino gaming in New York. Without a clear cut majority favoring the amendment, an enterprise like the Oneida Nation weighing into the debate against the amendment could easily have tipped the balance sending the measure down to defeat. Once the dust settles and details begin to emerge, there will likely be questions on multiple fronts. But for now, the governor has seemingly neutralized a logical foe to the major job development initiative left in this legislative session.

A careful examination of the landscape sees this strategy playing out elsewhere. Genting, the operator of the highly successful Resorts World casino at Aqueduct Race Track, appears well-positioned by the governor's plan not to start any casino development in the outer boroughs of New York City or Long Island for five years. This strategy serves to effectively grant Genting its own exclusivity zone for probably close to a decade. With that, expect Genting to also sit on the sidelines as the governor's plan takes shape. Like the Oneida's, Genting has the financial wherewithal to send the constitutional amendment down to defeat.

Since the reorganization of NYRA last summer, the racing and breeding industry has been silent in any public criticism of the casino expansion plans. The current framework has been a boon to the equine industry in New York, particularly with the revenue stream that comes from the tremendous success of Resorts World. It is hard to imagine that risks associated with tinkering with the status quo would be appealing for the horse crowd. Lighting candles and hoping for a repeat of Upset's victory over Man O' War may be a wise strategy.

The negotiations between the governor and the Legislature over locations and zones where casinos will be located on its face swirls around talk of politicizing the selection process. There is a more practical reason for keeping zones undisclosed until after the November vote on the amendment of the state constitution. The eastern corridor from Maryland to Maine is rapidly increasing the number of casinos in the region. High end projects are underway (MGM and Springfield, MA) or are in deep financial distress (The Revel and Atlantic City, NJ). Without a clear understanding of the geographical zones, competitors may have insufficient information to decide whether to spend precious dollars fighting to defeat the constitutional amendment in New York. To that end, so far they have been neutralized.

That leads us back to the beginning. The Seneca and Mohawk Nations have more fluid leadership structures than the Oneida's where Mr. Halbritter is an institution. They also have substantial financial resources to cause great mischief for the constitutional amendment. A protracted mediation between the Senecas and the state has produced nothing, drawing the ire of the governor. Whether this stalemate follows the blueprint of the Oneida's remains to be seen. If not, it would not be a surprise to see some who have been relegated to wallflower status engaging in favor of the amendment, directly or indirectly, if things got tight in late October.

There is still a long way to go before New Yorkers are playing Black Jack or Texas Hold'em at an Empire State casino. The race has started and so far the early hurdles seem to be getting cleared, but there's still a ways to go before the finish line.

Oneida Nation, state agree on wide-ranging deal on gaming, taxing, land

New York Gov. Andrew Cuomo, left, and Ray Halbritter, federally recognized representative of the Oneida Indian Nation, talk while signing an agreement on the Oneida's Turning Stone Casino in Vernon during a news conference on Thursday, May 16, 2013, in Albany, N.Y. The Oneidas have struck a deal with the Cuomo administration to guarantee exclusive territory for their casino in exchange for an estimated \$50 million in annual payments to the state. The proposed deal was reached as Cuomo pushed a proposal to bring three Las Vegas casinos to Upstate New York at yet-to-be-identified locations. For the first time, the Oneida Indian Nation has agreed to share its wealth with its longtime adversary, the state of New York.

In a deal announced today, the Oneidas will give 25 percent of their gaming machine revenues to the state in exchange for exclusive rights to run casinos in a 10-county area of Central New York. Gov. Andrew Cuomo said that could mean \$50 million a year for the state.

Other details of the agreement just announced in Albany by Cuomo, Oneida nation leader Ray Halbritter, Oneida County Executive Anthony Picente and Madison County Board of Supervisors Chairman John Becker:

— Oneida and Madison counties agree to drop all legal action against the Oneidas over land and tax issues. The state will drop any support of those actions.

— No casinos would be built in the 10-county Central New York region, which includes Onondaga County. Vernon Downs, which opened in 2006, could continue to operate.

- The Oneidas, which have been granted 13,000 acres of tax-exempt trust land by the federal government, agree to cap their total trust land to 25,000 acres.
- Oneida County will get \$2.5 million a year and Madison County will get \$3.5 million from the state's share of the Oneidas' payments.
- The Oneidas will charge — and keep — the same sales taxes New York state charges. The Oneidas must use that money for the same kinds of services New York does.
- The nation will waive its sovereign immunity for the agreement, allowing New York to take the tribe to federal court in any disputes.
- In order to take effect, the agreement would need the approval of the federal Department of Interior, the state Legislature, and the governing boards of Madison and Oneida counties.
- The agreement does not depend on whether the state Legislature and voters approve an expansion of private casino gambling in New York.
- If that referendum passes, the remaining eight counties in the region would share 10 percent of the money the state collects from the Oneidas.

Here is the map of the six regions of New York that Cuomo outlined last week. The mustard-colored portion is the 10-county area in which Turning Stone now has exclusive casino rights. The counties are Cayuga, Chenango, Cortland, Herkimer, Lewis, Madison, Oneida, Onondaga, Otsego and Oswego:

Additionally, from the Nation Payment, during the term of this agreement, the State shall annually allocate (i) a sum of three and one-half million dollars (\$3,500,000.00) to the County of Madison and (ii) for a period of nineteen and one-quarter years, a sum of two and one-half million dollars (\$2,500,000.00) to the County of Oneida. Additionally, the State shall distribute the one-time eleven million dollar (\$11,000,000.00) payment received by the State pursuant to Section III(A) to the County of Madison. The Counties' share of all these payments is in full satisfaction of all existing tax liens that they claim as against the Nation and in full satisfaction of tax revenues of any kind that the Counties will not receive from the Nation in the future under the terms of this Agreement or because of the trust status of Nation Land. The Nation shall have no liability to the Counties with respect to distribution of the Nation Payment to them. All disputes concerning the Nation Payment shall be matters to be resolved solely between the Nation and the State pursuant to the dispute resolution provisions of this Agreement. Notwithstanding any other provision of this Agreement, the State shall have the sole and exclusive right to enforce the Nation's payment obligations under Section III of this Agreement.

C. **Timing.** The Nation Payment shall be made quarterly, within thirty (30) days after the close of the quarter.

D. **Commencement of payment.** Within seven (7) days after the Effective Date, the Nation shall make the one-time payment of eleven million dollars (\$11,000,000.00) that is described in Section III(A) of this Agreement. The Nation shall commence payment of the Nation Payment as to Net Win for the quarter that begins on January 1, 2014, or, if the Effective Date is later than January 1, 2014, then as to so much of the quarter that remains after the Effective Date.

IV. GAMING EXCLUSIVITY

A. **Geographic Scope of Exclusivity.** Except as provided in Section IV(B) of this Agreement, the Nation shall have total exclusivity with respect to the installation and operation of Casino Gaming and Gaming Devices, by the State or any State authorized entity or person, within the following geographic area: Oneida County, Madison County, Onondaga County, Oswego County, Cayuga County, Cortland County, Chenango County, Otsego County, Herkimer County and Lewis County.

B. **Gaming Activities Permitted By Others within Exclusivity Zone.** The State shall not legalize, authorize or consent to or engage in, Casino Gaming or the installation or operation of any Gaming Device within the zone of exclusivity set forth in Section IV(A) of this Agreement, except for the following, which are exceptions to the exclusivity provided the Nation under this agreement: (a) charitable gaming conducted pursuant to N.Y. Const. art. I, § 9, cl. 2; (b) pari-mutuel wagering conducted pursuant to N.Y. Const., art. I, § 9, cl.1; (c) the lottery conducted pursuant to N.Y. The Vernon Downs exception shall permit the holder of the of the video lottery gaming license and its harness racetrack license to be sold or transferred to another entity as authorized by the New York State Gaming Commission, but the Vernon Downs exception shall cease to be applicable if a licensee at Vernon Downs ends its corporate existence, relinquishes its video lottery gaming license or its harness racetrack license, has either license revoked, or voluntarily ceases race meetings, pari-mutuel betting or betting on Video Lottery Gaming Devices, other than for unavoidable reasons such as (but not limited to) acts of God and strikes. Other gaming in the exclusivity zone that is not expressly permitted in this paragraph but that that is unlawful and has not been authorized or consented to by the State, although not a permitted gaming activity under the terms of this Agreement, shall not constitute a breach by the State or the Counties of this Agreement or of its exclusivity terms in Section IV of this Agreement.

C. **Gaming Activities By the Nation.** The Nation shall continue to engage in Class III Gaming pursuant to the terms of the Nation Compact. To remove any uncertainty regarding the Nation compact, the previous amendments (including as to Instant Multi-Game), or the Nation's entitlement under the Nation compact to adopt games and specifications contained and approved in other tribal gaming compacts in New York (including Gaming Devices), all of the foregoing shall be deemed ratified and approved by the Legislature. The gaming procedures and specifications that are contained in Exhibit H to this Agreement are approved. The Nation and the State shall in good faith endeavor to promptly undertake the ministerial changes necessary to conform the language of such most favored nation amendments to the existing gaming specifications, and also to reflect the gaming procedures and specifications referenced in the preceding sentence in this paragraph. The Nation Compact, its amendments and those amendments specified in Exhibit H to this Agreement shall be deemed ratified by the Legislature upon its approval of this Agreement. Notwithstanding any contrary term of this Agreement, this Agreement does not modify or eliminate the rights and duties of the Nation or the State under the Nation Compact, modify or eliminate any substantive term of the compact, or modify or eliminate the process for dispute resolution as to matters addressed by the Nation Compact.

V. RESOLUTION OF TAX DISPUTES

A. **Imposition of Nation Tax on Sales of Goods and Services.** As of the Effective Date, the Nation, pursuant to its governmental authority as an Indian nation to impose taxes upon sales of goods and services occurring on Nation Land, shall adopt and implement an ordinance imposing each of the following taxes and pricing standards, and allowing for the following exemptions, with respect to sales of goods and services on Nation Land. Nation Land shall be a "qualified reservation" for purposes of the Tax Law and Section V of this Agreement, which is a "tax agreement" for purposes of Tax Law §§ 284-e(5) and 471-e(5), as amended from time to time.

1. **Equal Cigarette and Tobacco Products Taxes.** To the extent that the State imposes or otherwise charges taxes on cigarettes and tobacco products possessed, transported, sold or conveyed throughout the State, including but not limited to taxes imposed pursuant to Article 20 of the State Tax Law, the Nation shall impose a Nation tax ("Nation Excise Tax") on cigarettes and tobacco products possessed, transported, sold or conveyed by any Seller on Nation Land to non-Indian purchasers that shall be no less than the amount of the State taxes on such cigarettes and tobacco products. The State shall notify the Nation of any change in the amount of State taxes on cigarettes and/or tobacco products. If the change results in an increase in the amount of State taxes on cigarettes and/or tobacco products, the Nation Excise Tax shall increase to an amount no less than the corresponding State tax within seven (7) days of such notice or the effective date of the change, whichever is later. If the change results in a decrease in, or elimination of, the State tax on cigarettes and/or tobacco products, the Nation Excise Tax may, at the Nation's discretion, decrease to an amount no less than the corresponding State tax.

2. **Equal Fuel Taxes.** To the extent that the State imposes or otherwise charges taxes on motor fuel and highway diesel motor fuel imported, possessed, transported, sold or conveyed throughout the State, including but not limited to taxes imposed pursuant to Articles 12-a and 13-a of the State Tax Law, the Nation shall impose a Nation tax ("Nation Fuel Tax") on motor fuel and highway diesel motor fuel imported, possessed, transported, sold or conveyed by any Seller on Nation Land to non-Indian purchasers that shall be no less than the amount of the State taxes on such fuels. The State shall notify the Nation of any change in the amount of State taxes on motor fuel and/or highway diesel motor fuel. If the change results in an increase in the amount of State taxes on motor fuel and/or highway diesel motor fuel, the Nation Fuel Tax shall increase to an amount no less than the corresponding State tax within seven (7) days of such notice or the effective date of the change, whichever is later. If the change results in a decrease in, or elimination of, the State tax on motor fuel and/or highway diesel motor fuel, the Nation Fuel Tax may, at the Nation's discretion, decrease to an amount no less than the corresponding State tax.

3. **Equal Sales Tax, Use Tax and Occupancy Tax.**

a. To the extent that the State, the Counties, or the cities or school districts located within the Counties, impose, charge or otherwise require collection and remittance of a sales tax, use tax or occupancy tax, including but not limited to any taxes authorized by Articles 28 and 29 of the State Tax Law and any hotel or bed taxes, the Nation shall impose a corresponding sales tax, use tax or occupancy tax ("Nation Sales Tax," "Nation Use Tax" and "Nation Occupancy Tax"), on the

same terms and subject to the same definitions and exemptions as such State and/or local tax, on the sale of goods, services or occupancy by a seller to non-Indians. The Nation Sales Tax rate, the Nation Use Tax rate and the Nation Occupancy Tax rate shall be no less than the combined State and local sales tax rate, combined State and local use tax rate or combined State and local occupancy tax rate in effect for the jurisdiction in which the Nation Lands where the sales or conveyances occur is located.

b. Upon any future increase in the rate of State sales tax, use tax or occupancy tax, or an increase in the rate of local sales tax, use tax or occupancy tax imposed by the Counties, or the cities or school districts located within the Counties, the Nation Sales Tax, Nation Use Tax or Nation Occupancy Tax shall increase to an amount no less than the new combined rates of sales tax, use tax or occupancy tax imposed by State, the Counties, or cities or school districts located within the Counties. Upon any future decrease in such rates, or elimination of the State or local sales tax, use tax or occupancy tax, the Nation Sales Tax, Nation Use Tax or Nation Occupancy Tax may, at the Nation's discretion, decrease to an amount no less than the combined rates of sales tax, use tax or occupancy tax imposed by State, the Counties, or the cities or school districts located within the Counties.

c. Upon any future change in the base of the sales tax, use tax, or occupancy tax imposed by the State, the Counties, or the cities or school districts located within the Counties that results in additional goods, services or occupancy becoming subject to such taxes, the Nation Sales Tax, Nation Use Tax, or Nation Occupancy Tax, as applicable, shall be amended to conform to the base of the sales tax, use tax, or occupancy tax imposed by the State, the Counties, and the cities or school districts located within the Counties. Upon a future change in the base of the sales tax, use tax, or occupancy tax imposed by the State, the Counties, or the cities or school districts located within the Counties that results in a decrease in such base, whether by creating an exemption or otherwise, the Nation Sales Tax, Nation Use Tax or Nation Occupancy Tax may, at the Nation's discretion, be amended to conform to the base of the sales tax, use tax, or occupancy tax imposed by the State, the Counties, or the cities or school districts located within the Counties.

d. The State shall notify the Nation of a change in the rate or base of the sales taxes, use taxes or occupancy taxes imposed by the State, the Counties or the cities or school districts located within the Counties, to the extent such taxes are administered by the State. The Counties, the cities or the school districts located within the counties, respectively, shall notify the Nation of a change in the rate or base of any sales tax, use tax or occupancy tax, to the extent such taxes are administered by the Counties or such cities and school districts, respectively. If the change results in an increase in rate or in additional goods, services or occupancy becoming subject to such taxes, the Nation Sales Tax, Nation Use Tax or Nation Occupancy Tax shall be amended to conform to such change as provided herein within seven (7) days of such notice or the effective date of the change, whichever is later.

4. **Equal Minimum Pricing Standards for Cigarettes.** To the extent that the State mandates minimum prices for the possession, transportation, sale or conveyance of cigarettes throughout the State, the Nation shall impose minimum prices ("Nation Minimum Prices") for the possession, transportation, sale or conveyance of those same cigarettes sold by any Seller on Nation

Lands to non-Indian purchasers. The Nation Minimum Prices on these products shall be calculated in the same manner as the corresponding State minimum prices are calculated. For the purpose of establishing the basic cost of cigarettes and the applicable minimum prices of Native American manufactured cigarettes, the minimum price of any cigarettes directly manufactured by the Nation or by another Native American manufacturer shall be calculated in the same manner as the corresponding State minimum prices are calculated. The basic cost of cigarettes directly manufactured by the Nation or by another Native American nation, tribe or individual, for the purposes of establishing applicable minimum prices, shall be 60% of the average manufacturers' list price, before trade or rebates, of the top three brands by market share.

5. **Nation Tax Stamp for Cigarettes.** The Nation shall affix a Nation cigarette tax stamp on all cigarettes, including cigarettes that the Nation may exclude from the Nation Excise Tax, Nation Sales Tax, Nation Use Tax and Nation Minimum Price requirements under Section V(A)(6) of this Agreement, which shall constitute the Nation's certification that the cigarettes comply with the requirements of this Agreement, including but not limited to the requirements governing imposition of Nation taxes and minimum pricing. The Nation may receive unstamped cigarettes directly from federally licensed manufacturers without going through a New York State licensed cigarette stamping agent.

6. **Exemption for Sales to Native Americans.** Notwithstanding any other provision of this Agreement, the Nation is authorized to exclude from the Nation Excise Tax, Nation Fuel Tax, Nation Sales Tax, Nation Use Tax, Nation Occupancy Tax and Nation Minimum Price requirements any retail sale on Nation lands, other than sales made via the internet, by the Nation, or by any entity owned directly or indirectly by the Nation, to any Native American or the immediate family of any Native American member living in the same household, provided, however, that any sale of cigarettes bearing the Nation Tax Stamp that occurs on other than Nation Lands shall be subject to State excise taxes pursuant to Article 20 of the State Tax Law unless there is proof that Nation Excise Taxes have been paid. This provision does not prevent a member of a New York Indian nation or tribe from presenting his or her membership card to vendors off-reservation for purchase of goods and services, other than cigarettes, tobacco products, motor fuel and highway diesel motor fuel, exempt from New York taxes as long as the goods and services will be delivered to his or her residence on the reservation.

7. **Exemption for Nation-Manufactured Products.** The Nation may exclude from the Nation Sales Tax and Nation Use Tax any possession, transportation, sale or conveyance of products, other than cigarettes and tobacco products, manufactured on Nation Lands by the Nation or any entity owned, chartered, incorporated or controlled, directly or indirectly, by the Nation, including but not limited to traditional Native American crafts.

8. **Material Tax Law Changes.** In the event there is a change to the State Tax Law or any article thereof that materially affects the terms or operation of this Agreement, such as the enactment of new, or the amendment of existing, transaction, sales, excise or similar taxes, and other than a modification of the rate or base of any tax as provided in Section V(A)(1)-(3) of this Agreement, the State and the Nation shall modify this Agreement accordingly.

9. **Master Settlement Agreement.** The Nation shall report to the State, on forms substantially similar to those contained in Exhibit J, its purchases of all cigarettes for the express and limited purpose of ensuring appropriate third-party compliance with the requirements of the Master Settlement Agreement, as amended and interpreted.

B. **Use of Nation Excise, Sales, Use and Occupancy Tax Revenues.** The Nation shall use revenues from the Nation Excise Tax, Nation Fuel Tax, Nation Sales Tax, Nation Use Tax and Nation Occupancy Tax exclusively for the provision of the same types of governmental programs and services, and to the discharge by the Nation of the same types of governmental obligations, for which state or local governments use revenues from their tax collections. The Nation shall retain exclusive discretion in determining the specific types of governmental programs and services for which revenues shall be expended. Nothing in this Agreement shall affect any obligation of the State or any other government to provide programs and services required under any treaty or law, or to discriminate or to permit any discrimination against the Nation or its members with respect to such obligations.

C. **Assurances.**

1. The State and the Counties shall undertake reasonable efforts to fulfill their obligations and restrictions under this section.

2. The collection of the Nation Excise Tax, Nation Fuel Tax, Nation Sales Tax or Nation Use Tax pursuant to this Agreement shall be in full satisfaction of any taxes on the sales or provision of goods and services on Nation Land. The State and the Counties shall not take any action to collect unpaid sales or use taxes on the sale of goods or services, other than motor fuel or highway diesel motor fuel sold to a carrier subject to article 21-a of the State Tax Law, that are subject to Nation Fuel Tax, Nation Sales Tax or Nation Use Tax pursuant to this Agreement. The State and the Counties shall not take any action to collect unpaid state excise taxes on the sale of cigarettes and tobacco products for which Nation Excise Tax has been paid.

3. The State and the Counties shall not take any action to impose any direct or indirect tax, assessment, charge or fee on any gaming facility or gaming-related activity conducted by the Nation, except as provided in this Agreement and in the Nation Compact.

4. The Nation shall contract for an independent third party acceptable to the State to assess and report to the State regarding the Nation's compliance with the tax provisions of this Agreement within six months of the effective date of the Agreement and once per year thereafter. If such a report indicates that the Nation, or any entity owned directly or indirectly by the Nation, has substantially failed to comply with the provisions of Sections V(A)(1), V(A)(4), V(A)(5) and/or V(A)(6) of this Agreement, then such provisions shall be void and Articles 20 and 20-A of the State Tax Law shall apply to all sales of cigarettes on Nation lands that occur more than seven (7) days after the State has notified the Nation of such finding of substantial failure to comply, provided, however, that where such report indicates that such substantial failure to comply is solely attributable to the conduct of one or more individuals acting independently on Nation lands, the Nation shall be afforded thirty (30) days to

cure such non-compliance after the State has notified the Nation of such finding of substantial failure to comply.

5. For purposes of the State Alcoholic Beverage Control Law, the State shall deem the Nation to be operating with a certificate of authority, as provided in article 28 of the State Tax Law, when it is collecting Nation Sales Tax and Nation Use Tax as required by this Agreement.

D. **Most Favored Nation.** In the event the State enters into an agreement with any other Indian nation or tribe relating to any importation, possession, transportation, purchase, sale or conveyance of any cigarettes, tobacco products, motor fuel or highway diesel motor fuel among or between any other Indian nation(s) (Other Relevant Agreement), the following provisions shall apply:

1. The State shall provide a copy of the Other Relevant Agreement to the Nation within five (5) days after its execution.

2. The Nation may, at its option and upon notice to the State, adopt the provision of the Other Relevant Agreement relating to any importation, possession, transportation, purchase, sale or conveyance of any cigarettes, tobacco products, motor fuel or highway diesel motor fuel among or between any other Indian nation(s).

3. As of the date of notice from the Nation to the State, the provision adopted pursuant to this Section shall be incorporated into this Agreement, and shall amend or replace any existing provision of this Agreement relating to any importation, possession, transportation, purchase, sale or conveyance of cigarettes, tobacco products, motor fuel or highway diesel motor fuel among or between any other Indian nation(s).

E. **Nation Land Not Taxable.**

1. Without regard to whether land has been (or has not been) and is now (or is not now) exempt from property taxation or otherwise non-taxable, Nation Land shall be non-taxable, and the Nation shall not be liable to the State or any municipal subdivision of the State for any past, present or future property tax payment with regard to Nation Land, and no bill for such tax shall be issued, all of the foregoing subject to the limitation (Cap) in Section VI(B)(4) on the designation of Reacquired Land to 25,370 acres. For the avoidance of any doubt, Reacquired Land that is in excess of the Cap defined in Section VI(B)(4) shall be subject to State and local taxation.

2. The Nation shall not assert or seek any other state property tax exemption for Reacquired Land exceeding the Cap in Section VI(B)(4) on the designation of Reacquired Land to 25,370 acres, except with respect to Nation Land that is listed on tax assessment rolls as exempt on the Effective Date. The parcels of Nation Land so listed on tax assessment rolls are in Madison County and are identified as follows: tax parcel identification number 75.-1-4.15 (2.80 acres) (695-cemetery), and tax parcel identification number 75.-1-4.16 (5.69 acres) (695-cemetery). The Nation reserves and asserts federal immunity to property taxation and all other rights under federal law with regard to the 32 acre *Boylan* tract, the 104-acre *Marble Hill* tract, and also to lands held in trust by the United States for the

Nation's benefit under 40 U.S.C. § 523 or, as to Reacquired Land held in trust, within the Cap provided in Section VI(B)(4) of this Agreement.

3. Any tax lien or tax sale based upon any failure of the Nation to pay any property tax, penalty, interest or assessment that has been asserted against the Nation or Nation land shall be withdrawn or terminated, and shall be deemed void *ab initio*. The State and Counties hereby release and waive all claims for payment of any such property tax, penalty, interest or assessment.

4. As to any judicial or administrative proceeding, the State and Counties hereby release any claim that the Reservation was disestablished.

5. The State hereby stipulates that the Reservation was not disestablished and that the Reservation is reservation land for purposes of state and federal statutes.

6. Notwithstanding Sections V(E)(1) and V(E)(4) of this Agreement, the Nation shall make to the Counties a payment in an amount equal to the amount of property tax that would be due from any non-Indian owner with respect to any parcel of Reacquired Land within the Cap provided in Section VI(B)(4) of this Agreement that is acquired by the Nation after the Effective Date of this Agreement and until such time as the particular land is transferred to the United States in trust for the Nation. With respect to Nation Land, the Nation's payment shall be based on the assessed value of the parcel prior to the transaction in which it was acquired by the Nation.

F. **Compliance with Agreement Deemed Compliance with Applicable State Law.** The Nation's compliance with the terms of this Agreement shall be deemed in compliance with State law related to the payment and collection of taxes. No state agency or licensing entity, including but not limited to the State Liquor Authority, shall deny a license or fail to give an approval on the ground that gaming on Nation land or under the Oneida Nation gaming compact may be unlawful or on any ground related to the payment or collection of taxes in conformity with this Agreement.

d. The Counties shall stipulate to the dismissal of the hybrid tax grievance/declaratory judgment actions regarding state statutory property tax exemptions and other issues that were filed by the Nation in Madison and Oneida Counties, respectively, in substantially the form of Exhibits E and F. The State and Counties represent and warrant that they support the Nation's application for transfer of such land to the United States to be held in trust and release and waive any right they may have to administratively or judicially oppose or challenge the transfer into trust of any such land on any grounds.

2. If the Nation acquires additional Nation Land, subject to the Cap limitation in Section VI(B)(4) of this Agreement, the State and Counties shall not oppose, in any administrative or judicial proceeding or otherwise, the Nation's application to place the land in trust pursuant to 25 U.S.C. § 465, and they release and waive any right they may have to administratively or judicially oppose or challenge the transfer into trust of any such land on any grounds. Further, the State and Counties shall not oppose any transfer of excess federal land within the Reservation to the Department of the Interior to be held in trust for the Nation pursuant to 40 U.S.C. § 523.

3. The State and Counties shall not assist or fund, directly or indirectly, any administrative or judicial opposition or challenge to the Nation's application to transfer Nation Land, subject to the Cap limitation in Section VI(B)(4) of this Agreement, into trust pursuant to 25 U.S.C. § 465, or to any transfer of excess federal land within the Reservation to the Department of the Interior to be held in trust pursuant to 40 U.S.C. § 523.

4. The Nation shall not designate more than 25,370 acres of Reacquired Land as Nation Land, of which: (i) 13,004 acres shall be the existing land owned by the Nation that was accepted to be held in trust by the United States under the May 20, 2008 Record of Decision of the U.S. Department of Interior, (ii) 4,366 acres shall be the existing land owned by the Nation and for which the Nation applied for trust status on April 4, 2005, but which was not accepted into trust under the May 20, 2008 Record of Decision (see Exhibit A), and (iii) up to 7,000 additional acres shall be in Oneida County and up to 1,000 additional acres shall be in Madison County.

5. For the avoidance of any doubt, the Nation shall not submit an application to have Reacquired Lands taken into trust, above the 25,370 acres specified in Section VI(B)(4).

C. Governmental Coordination.

1. The Nation shall not assert sovereignty with respect to any land other than Nation Land.

2. If any federal law provides for consultation with the Nation concerning any federally-assisted project in Madison County or Oneida County, and if the Nation exercises its consultation right, then the Nation shall give notice to the Secretary of State of New York, and the Secretary of State or his or her designee, in such consultation, shall represent the County or Counties involved in the consultation if so requested by the involved County or County. If a County requests such representation in a consultation by the Secretary of State or his or her designee, the Nation hereby consents to that representation.

3. To enhance public safety and to improve the coordination of police services, Oneida County shall enter into a deputization agreement with the Oneida Nation Police in substantially the form of Exhibit G.

4. As to all Reacquired Land that is within the Cap defined in Section VI(B)(4) of this Agreement and is not held in trust by the United States for the benefit of the Nation, the Nation shall adopt, in lieu of the laws and regulations generally applicable to non-Nation properties, ordinances that meet or exceed standards that otherwise may govern land use, building codes, zoning, health, safety and environmental matters, and weights and measures. Any land uses and improvements existing on those lands as of the Effective Date may continue and shall be deemed to be conforming uses under any zoning or other land use statutes, regulations, codes or other administrative requirements. On reasonable notice, the Counties may coordinate with the Nation site visits and testing as reasonably needed to assure that the Nation has fulfilled its meet-or-exceed obligation under this paragraph of this Agreement. For the avoidance of any doubt, Reacquired Land that is in excess of the Cap defined in Section VI(B)(4) shall be subject to State and local regulation.

5. In the event of any dispute over whether the Nation is meeting any relevant standard, the County(s) shall notify the Nation in writing, alleging with specificity the nature of the alleged violation and proposed corrective action or remedy. The Nation and the State or the County in which the property is located will inspect the disputed use or facility and consult, within fourteen (14) days of notice receipt, to attempt to resolve the concern and provide an opportunity to implement any agreed upon corrective action. Notwithstanding any other dispute resolution process specified in this Agreement, but without altering any right, duty or dispute resolution process specified in the Nation Compact with respect to matters addressed by the compact, any and all disputes arising under this section that remain after consultation shall be resolved by binding arbitration as follows. If the Nation and the State are able to select a full panel consisting of three members, then the arbitration shall be by a Standards Review Panel, with the State selecting one member, the Nation selecting another member, and those two members selecting a third member, whose fees and expenses are to be shared equally by the State and the Nation so long as they are reasonable and proportionate to the size and complexity of the dispute presented. The Standards Review Panel will arbitrate the dispute according to a reasonable process and timetable to be established by the panel and shall issue a decision resolving the dispute, with costs and attorneys' fees to the prevailing party. The decision or award of the Standards Review Panel may be enforced by the United States District Court for the Northern District of New York, which retains jurisdiction to enforce such decisions or awards. Notwithstanding the foregoing, if there is an impasse in the selection of third panel member because the two members chosen by the State and the

Nation are unable to agree on a third member, then the dispute shall be arbitrated under the Expedited Procedures provision of the AAA Commercial Arbitration Rules. In any AAA arbitration, the Nation shall select one arbitrator, the State shall select another arbitrator, and those two arbitrators shall select the third arbitrator. The prevailing party shall be entitled to an award of attorneys' fees and costs. Arbitration awards under this section shall be enforced in the United States District Court of for the Northern District of New York, which retains jurisdiction over this agreement and over its enforcement.

6. Except as may be expressly provided in Section IV(C) of this Agreement, nothing in this section or in any other section of this Agreement replaces, modifies or repeals any provision in the Nation Compact or in any other agreement governing the Nation's gaming facilities and related enterprises and the regulations or standards that govern the operation of those facilities or related enterprises. Where there is any conflict or difference between those other agreements and this Agreement, the other agreements control.

7. The Nation shall support any referendum authorized by the State Legislature following second passage of a concurrent resolution to amend the State Constitution to permit or authorize casino gaming. Additionally, the Nation shall not directly or indirectly fund any public education campaign or program opposing any such referendum, or fund directly or indirectly any litigation or administrative challenge in connection with any such referendum.

VII. ENFORCEMENT

A. **Limited Waivers of Sovereign Immunity.** The Nation and State hereby irrevocably waive all immunity from suit, including tribal sovereignty immunity and eleventh amendment immunity, for the limited purpose of, and consent to, enforcement of the terms of this Agreement according to its terms by arbitration or before the Northern District of New York having jurisdiction to enforce the settlement in *State of New York v. Salazar*, No. 08-cv-644.

B. **Notification of Disputes.** If the State, one of the Counties or the Nation believes a Party has violated this Agreement by not fulfilling a duty that is owed to it and that it has a right to enforce, then it shall notify that party in writing. The notice shall state the nature of the alleged violation and any proposed corrective action or remedy. The notifying party and the party receiving notice shall meet initially within fourteen (14) calendar days of receipt of the notice, unless a different date is agreed to by both parties, to attempt to resolve between themselves the issues raised by the notice of possible violation and to provide the opportunity to implement any agreed upon corrective action. Thereafter, the parties shall meet at least two further times within the next twenty-one (21) calendar days to continue good faith consultation. If the parties are unable to reach agreement, they shall within the next fourteen (14) calendar days select a mutually agreeable mediator, the cost of the mediator to be shared equally by each interested party, and shall participate in a mediation to be concluded within thirty (30) days of the selection of the mediator. If within the fourteen (14) calendar days provided for selection of a mediator the parties are unable to agree on the selection of a mediator, then any party immediately may pursue the other dispute resolution processes as permitted by this Agreement. If a mediator is chosen but mediation is unsuccessful as of the thirtieth (30th) day, or if at any point the

parties agree in writing that mediation will not be successful, then the parties immediately may pursue other dispute resolution processes as may be permitted by this Agreement. The foregoing notwithstanding, a party confronted with irreparable harm may immediately pursue those other dispute resolution processes.

C. **Arbitration of Disputes.** Subject to the other provisions of this agreement, in particular those providing only for judicial enforcement with respect to a Material Breach, the Parties must arbitrate any disputes concerning an alleged breach of this agreement that, if proved, would not be a Material Breach. Such binding arbitration shall be pursuant to the AAA Commercial Arbitration Rules. A three-person arbitration panel shall be chosen as provided in Section VI(C)(5) of this Agreement. A substantially prevailing party shall be entitled to an award of attorneys' fees and costs. Any award produced by the arbitration may be enforced in the United States District Court for the Northern District of New York, which retains jurisdiction for the purposes of enforcing this Agreement and arbitration awards authorized by it.

D. **Consequences of Material Breach.** Disputes concerning allegations of a Material Breach shall be resolved exclusively by the United States District Court for the Northern District of New York, which shall retain jurisdiction for such purpose but after a mediation according to the provisions of Section VII(B) of this Agreement. A prevailing party shall be entitled to an award of attorneys' fees and costs. In the event of an allegation of Material Breach, the affected party shall notify the allegedly breaching party in writing of the material breach.

E. **Judicial Enforcement.** The United States District Court for the Northern District of New York will reserve and retain jurisdiction, exclusive of any other court, to enforce this Agreement according to its terms, to adjudicate any challenges by a party or by third parties to the enforceability of this Agreement, to compel arbitration of disputes according to the terms of this Agreement, or to confirm any arbitral award. The stipulation of dismissal that is Exhibit B to this Agreement will so provide and will provide that this Agreement is to be incorporated into the judgment of dismissal to be entered upon the stipulation. The parties hereby agree and stipulate that a showing of a material breach of this Agreement shall also be a sufficient showing of irreparable harm to justify injunctive or other equitable relief in any action to enforce this Agreement. Each party to this Agreement waives and releases any claim or defense that any term of this Agreement is not enforceable and, by seeking judicial approval of this Agreement, acknowledges that it is estopped to challenge the enforceability of any of its provisions.

VIII. IMPLEMENTATION

A. **Authority.** The officials executing this Agreement on behalf of the State, the Counties and the Nation, respectively, warrant that they have been authorized to so execute and that they have the lawful authority to do so, subject to the approval of the State Legislature, the County Legislatures, the Oneida Nation Council and, where applicable, the New York Attorney General and, if applicable, the U.S. Department of Interior. Each party is relying on said representation in entering into this Agreement.

B. **Legislation.** The State will enact legislation approving this Agreement and its exhibits and containing any terms necessary for the State and Counties to carry out their undertakings in this Agreement.

C. **Sequence of Implementation.** First, the parties' representatives will execute this Agreement. Second, the Agreement shall be submitted to the Counties' Legislatures for approval and the Nation's Council will approve this Agreement. Third, the Agreement shall be submitted to the State Legislature for approval. Fourth, the Parties, and the New York Attorney General and the Federal Defendants in the federal trust litigation, *State v. Salazar*, No. 08-cv-644 (LEK), will submit for approval the stipulation in substantially the form of Exhibit B to this Agreement. As previously provided in this Agreement, the Effective Date of this Agreement is the date of the federal court's entry of an order approving this Agreement. Upon the Effective Date, the parties' obligations to make payments, file other stipulations, and take other actions are triggered as previously provided in this Agreement.

D. **Cooperation.** The parties shall work together in good faith to fulfill their commitments to each other under this Agreement, including adoption of necessary laws and regulations, seeking any approval of the United States Department of the Interior that may be required, and opposing any efforts to change, undermine, or invalidate any provision of this Agreement, including initiating or intervening in litigation. Nothing in this Agreement limits the State, the Counties or the Nation from engaging in intergovernmental cooperation with respect to financial or other matters not covered in this Agreement. Nothing is intended to limit or preclude further voluntary or mutual agreements regarding funding, grants or any other matter involving money that might benefit and promote the good of both the Nation and the State and Counties. Without limiting the effect of any substantive provision of this Agreement, nothing herein is or shall be construed to be an admission by any party with respect to any fact or legal issue in litigation.

E. **Notices and Communications.** Notice required by or related to this Agreement will be made in writing and served by overnight courier or certified mail, return receipt requested. If notice is to be given by the Nation to the Counties, it shall be to the County Executive and to the County Attorney of the relevant County or Counties, and if to the State it shall be to the Governor and the Attorney General, both individually at State Capitol, Albany, New York 12224. A copy shall also be filed concurrently with the Counsel to the Governor, State Capitol, Room 210, Albany, New York 12224. If notice is to be given by the State or Counties, it shall be to the Oneida Indian Nation Representative and the Oneida Nation Legal Department, both located at 5218 Patrick Road, Verona, New York 13478, or to such other address as may be designated by the Nation.

F. **Inadmissibility.** Any statements made during the course of the settlement negotiations in this matter will not be admissible in any action or proceeding and are strictly confidential.

G. **No Precedent.** The parties agree that no provision of this settlement shall be interpreted to be an acknowledgment of the validity of any of the allegations or claims that have been made in any litigation covered by this agreement. This settlement does not constitute a determination of, or admission by any party to any underlying allegations, facts or merits of their respective positions.

The settlement of the litigation covered by this agreement is limited to the circumstances in those actions alone and shall not be given effect beyond the specific provisions stipulated to. This settlement does not form and shall not be claimed as any precedent for, or an agreement by the parties to any generally applicable policy or procedure in the future.

H. **Entire Agreement.** This is a fully integrated agreement that supersedes all prior discussions and negotiations concerning it. The parties may modify this Agreement, but only by a written agreement executed by the party to be charged.

I. **Non-Severability.** If any material term, provision, representation, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable or is otherwise finally determined to be beyond the authority of any signatory hereto, then this Agreement shall be null and void in its entirety, with each party being returned to the position it held before the effective date.

ONEIDA COUNTY-ONEIDA NATION SPECIAL DEPUTIZATION AGREEMENT

WHEREAS the County of Oneida, New York ("the County") and the Oneida Nation of New York ("the Nation") are interested in assuring public safety through law enforcement that serves the needs of their respective County residents and Nation members;

WHEREAS the Nation has or may come into possession of land that is held by the Nation through fee ownership, some of which the Secretary of the Interior has agreed or may in the future agree to hold in trust in the name of the United States for the benefit of the Nation pursuant to federal law;

WHEREAS the Nation's land includes the land upon which the Turning Stone Resort & Casino is built, a facility used by tens of thousands of County residents and visitors to the County and at which thousands of Central New York residents are employed;

WHEREAS the Nation by Ordinance has established a Police force comprised of well-trained, highly-qualified personnel;

WHEREAS the Nation Police Department for years has had a productive history of cooperative law enforcement with the Oneida County Sheriff's Office; and

WHEREAS it is in the public interest for the Nation Police to enforce the laws of New York in appropriate circumstances, and thereby to protect and assure public safety;

NOW, THEREFORE, Oneida County, through the Oneida County Sherriff's Office and the Oneida Nation Police Department agree as follows in order to bolster public safety, eliminate any uncertainty about the authority of the Nation Police Department and increase the availability of trained police officers at no expense to the taxpayers:

1. For the purpose of special deputization under this agreement, the "geographic area of employment," as that term is used in the New York Criminal Proccedure Law (hereinafter "CPL"), of the Nation Police shall be land that is possessed by the Nation as a result of fee ownership and land held in trust for the Nation by the United States. This area includes but is not limited to Turning Stone Resort & Casino.

2. The Oneida County Sheriff will provide a letter specially deputizing qualified officers of the Nation Police upon a request in writing from the Nation's Chief of Police. Said special deputization shall be limited to the "geographic area of employment" of the Nation Police, as defined hereinabove. A qualified officer is an officer currently certified by the New York State Division of Criminal Justice Services ("DCJS") as a police officer. For the purposes of this Agreement, a specially deputized officer shall be a police officer as that term is defined in CPL § 1.20(34)(b).

3. Nation Police officers acting pursuant to their deputization under this agreement shall act within the requirements of CPL § 140.10 when making arrests for violations of the laws of the State of New York.

4. Upon making an arrest, a specially deputized Nation Police Officer shall follow the procedures specified in CPL §§ 120.90 and 140.20 or shall deliver the arrested person promptly to an appropriate County law enforcement officer. Nation

Police involved in any arrest shall promptly provide all relevant information required for booking, charging, or trial and shall appear as witnesses at trial if called.

5. Nation Policed officers acting pursuant to their deputization under this agreement shall act within the requirements of Article 35 of the New York Penal Law when using physical force.

6. Any deputization made pursuant to this agreement shall expire upon the termination of any officer's employment by the Nation Police. The Nation shall inform the Oneida County Sheriff in writing of the termination of an officer's employment by the Nation Police as soon as reasonably possible.

7. The Oneida County Sheriff may terminate the deputization of one or more officer of the Nation Police for good cause, including failure to maintain their certification by DCJS as a police officer, incompetence or misconduct of the officer. The Oneida County Sheriff shall inform the Nation in writing of the termination of the deputization of an officer as soon as reasonably possible.

8. The Sheriff shall designate a liaison from the Sheriff's Office to coordinate with the chief law enforcement officer of the Nation Police, to ensure appropriate procedural protocols are implemented within the Nation Police Department's operations that are conducive to the Sheriff supporting and preserving deputization of the Nation Police.

9. Specially deputized Nation Police Officers shall not hold themselves out as, or claim to be employees of the County of Oneida or the Oneida County Sheriff. Nothing in this agreement shall operate or be construed to make either the County of Oneida or the Oneida County Sheriff responsible for providing or bearing

the expense of providing any employment benefit, right, privilege or entitlement to specially deputized Nation Police Officers, including but not limited to worker's compensation, line of duty injury benefits and personal liability protection, unemployment insurance benefits, Social Security coverage or retirement membership credit.

10. Nothing contained in this agreement shall operate to exclude any federal, state, local or Nation law enforcement agency from exercising its lawful and proper jurisdiction at any place or time. Both the Oneida County Sheriff and the Oneida Nation Police shall be free to request assistance from or provide assistance to any other federal, state or local law enforcement agency at any place or time.

11. The Nation agrees to defend, indemnify and hold harmless Oneida County and the Oneida County Sheriff in the event and to the extent that any claim, action or lawsuit is brought against either of them, or any of their officers, deputies, agents, servants or employees, if such claim, action or lawsuit arises out of the act or omission of any member of the Nation Police specially deputized hereunder, but there shall be no such defense or indemnity to the extent that any such claim, action or lawsuit arises out of the negligent, intentional or otherwise wrongful or actionable act or omission of the County of Oneida, the Oneida County Sheriff, or any of their officers, deputies, agents, servants or employees.

12. The Nation agrees to waive its sovereign immunity, but only as explicitly described and limited herein, as to any arbitration by the County or the Oneida County Sheriff in his official capacity to specifically enforce this agreement or their rights to defense or indemnity under this agreement, and as to any monetary claim but

only to the extent of the insurance coverage required under this agreement, beyond which there is no waiver of sovereign immunity. The Nation further waives its immunity to an action in the United States District Court for the Northern District of New York to enforce any arbitration award made under the arbitration provisions in this agreement. The Nation expressly does not waive sovereign immunity as against any dispute other than a dispute arising under this agreement or as against any other persons or entities other than the County of Oneida and the Oneida County Sheriff. As to all other persons or entities and all other claims, the Nation expressly reserves its sovereign immunity.

13. The Nation agrees to provide the Oneida County Attorney with proof of liability insurance coverage, satisfactory to the Oneida County Attorney, wherein Oneida County and the Oneida County Sheriff are named as additional insureds for the purpose of protecting the insureds against liability on claims, actions and lawsuits for personal injuries or death, property damage and civil rights deprivations arising out of the acts or omissions of Nation Police Officer, and to provide that such coverage shall not be terminated without prior written notice to the County of Oneida and the Oneida County Sheriff of at least fifteen (15) days prior to said termination.

Specific Insurance minimum requirements shall consist of the following:

Commercial General Liability:	\$1,000,000.00
Commercial Automobile Liability:	\$1,000,000.00
Law Enforcement Liability:	\$1,000,000.00
Excess/Umbrella Liability:	\$10,000,000.00

All policies shall be written on an occurrence basis, shall include a waiver of subrogation and shall be subject to no deductible, self-insured retention or other form of

risk retention. If any policy is subject to a deductible or self-insured retention, the Nation shall be responsible for payment of any self-insured retention or deductible on any claim made with respect to those policies.

14. With the exception stated in the last sentence of this paragraph, all disputes related to the subject matter of this Agreement shall be subject to mandatory arbitration by a panel of three arbitrators who shall follow the Commercial Arbitration Rules of the American Arbitration Association. The Nation shall select one arbitrator; Oneida County/the Oneida County Sherriff shall select another arbitrator; and the two arbitrators shall select the third arbitrator by agreement. Pursuant to the settlement agreement and stipulation and order of dismissal in *State of New York v. Salazar*, No. 6:08-cv-644 (LEK), the United States District Court of the Northern District of New York ("the District Court") shall have sole jurisdiction to compel arbitration and to enforce arbitration awards relating to this agreement or to its subject matter. Prior to commencing an arbitration proceeding, the parties agree to attempt to resolve the dispute through mediation, pursuant to the mediation procedure and timelines set forth in the above-referenced settlement agreement. This Agreement may be terminated only by the mutual agreement of the parties, expressed in a writing signed by the parties. However, the defense and indemnification obligations relating to acts or omissions prior to termination of the agreement shall survive such termination.

15. Nothing in this agreement creates any third-party beneficiaries or third-party rights.

16. This agreement may be executed in counterparts.

17. This is a fully integrated agreement containing all the parties' agreements. It may not be modified except in a writing signed by the party to be charged.

(PROPOSED) AMENDED JUDGMENT IN A CIVIL CASE

ONEIDA INDIAN NATION,

Plaintiff,

Case No.
5:00-cv-506 (DNH/GJD)

v.

MADISON COUNTY, NEW YORK,

Defendant.

- ☐ Jury Verdict. This action came before the Court for trial by jury. The issues have been tried and the jury has rendered its verdict.
- ☒ Decision by Court. This action came to trial or hearing before the Court. The issues have been tried or heard and a decision has been rendered.

IT IS ORDERED AND ADJUDGED THAT:

1. The judgment previously entered in this action on October 27, 2005, including the permanent injunctions contained therein, is vacated;
2. The Oneida Nation's motion for summary judgment is granted in part and denied in part;
3. Madison County's cross-motion for summary judgment is granted in part and denied in part;
4. Based on the terms of the Oneida Nation's waiver of sovereign immunity to property tax foreclosure with respect to reacquired lands, which was submitted to the United States Supreme Court in connection with this action and which is irrevocable, and on the Oneida Nation's representation to the Second Circuit that it would not assert the Nonintercourse Act, 25 U.S.C. § 177, as a bar to foreclosure with respect to such lands, the Oneida Nation's claims with respect to tribal sovereign immunity and the Nonintercourse Act are dismissed with prejudice;
5. The Oneida Nation's claims challenging the timing of Madison County's redemption notices on due process grounds are dismissed with prejudice;

6. Because of the availability of a state court forum for resolution of the Oneida Nation's claims that it is entitled under New York law to exemptions from state and local property taxes, and also on the pendency of state court litigation, the Court declines to exercise supplemental jurisdiction over those claims and dismisses them without prejudice to their being brought in state court or adjudicated in existing state court proceedings;
7. It is declared that the Oneida Nation is not liable by or through any assessment, collection, foreclosure, tax sale, elimination of redemption rights or transfer of title or property that is based in whole or in part on the Oneida Nation's non-payment of penalties or interest imposed because of the Nation's non-payment of real property taxes prior to March 29, 2005 or because of the non-payment of penalties and interest based on tax non-payment prior to March 29, 2005; and that any of the foregoing tax collection or enforcement steps that were based in whole or in part on non-payment of such penalties and interest prior to March 29, 2005 were void;
8. Madison County's motion for abstention is denied; Madison County's motion for leave to file a Rule 19 motion to dismiss is denied; and Madison County's declaratory counterclaims are dismissed with prejudice; and
9. It is declared that the Oneida Nation's reservation was not disestablished.

All in accordance with the Order of the Honorable David N. Hurd, United States District Judge, dated October 27, 2005, and the direction of the United States Court of Appeals for the Second Circuit in its decision on appeal on October 20, 2011, 665 F.3d 408 (2011).

FAILURE TO EXPRESSLY INCLUDE SUCH A CONDITION IN THE AGREEMENT SHALL NOT CONSTITUTE A DEFENSE IN ANY ACTION BROUGHT TO TERMINATE THE AGREEMENT.

9. A GAMING FACILITY LICENSEE SHALL BE RESPONSIBLE FOR THE CONDUCT OF ANY JUNKET REPRESENTATIVE OR JUNKET ENTERPRISE ASSOCIATED WITH IT AND FOR THE TERMS AND CONDITIONS OF ANY JUNKET ENGAGED IN ON ITS PREMISES, REGARDLESS OF THE FACT THAT THE JUNKET MAY INVOLVE PERSONS NOT EMPLOYED BY SUCH A GAMING FACILITY LICENSEE.

IN GRANTING EXEMPTIONS, THE COMMISSION SHALL CONSIDER SUCH FACTORS AS THE NATURE, VOLUME AND SIGNIFICANCE OF THE PARTICULAR TYPE OF ARRANGEMENT, AND WHETHER THE EXEMPTION WOULD BE CONSISTENT WITH THE PUBLIC POLICIES ESTABLISHED BY THIS ARTICLE. ANY SUCH REGULATION PROMULGATED BY THE COMMISSION WHICH DETERMINES THE PERMISSIBLE NUMBER AND DENSITY OF SLOT MACHINES IN A LICENSED GAMING FACILITY SHALL PROVIDE THAT ALL CASINOS SHALL BE INCLUDED IN ANY CALCULATION OF THE PERMISSIBLE NUMBER AND DENSITY OF SLOT MACHINES IN A LICENSED GAMING FACILITY.

(E) ANY NEW GAMING EQUIPMENT THAT IS SUBMITTED FOR TESTING TO THE COMMISSION OR TO A STATE LICENSED INDEPENDENT TESTING LABORATORY PRIOR TO OR SIMULTANEOUSLY WITH SUBMISSION OF SUCH NEW EQUIPMENT FOR TESTING IN A JURISDICTION OTHER THAN THIS STATE, MAY, CONSISTENT WITH REGULATIONS PROMULGATED BY THE COMMISSION, BE DEPLOYED BY A GAMING FACILITY LICENSEE ON THE CASINO FOURTEEN DAYS AFTER SUBMISSION OF SUCH EQUIPMENT FOR TESTING. IF THE GAMING FACILITY OR CASINO VENDOR ENTERPRISE LICENSEE HAS NOT RECEIVED APPROVAL FOR THE EQUIPMENT FOURTEEN DAYS AFTER SUBMISSION FOR TESTING, ANY INTERESTED GAMING FACILITY LICENSEE MAY, CONSISTENT WITH COMMISSION REGULATIONS, DEPLOY THE EQUIPMENT ON A FIELD TEST BASIS, UNLESS OTHERWISE DIRECTED BY THE EXECUTIVE DIRECTOR.

NOTWITHSTANDING THE FOREGOING:

(A) AGREEMENTS WHICH PROVIDE ONLY FOR THE PAYMENT OF A FIXED SUM WHICH IS IN NO WAY AFFECTED BY THE AMOUNT OF ANY SUCH MONEY, PROPERTY, REVENUES, PROFITS OR EARNINGS SHALL NOT BE SUBJECT TO THE PROVISIONS OF THIS SUBDIVISION; AND RECEIPTS, RENTALS OR CHARGES FOR REAL PROPERTY, PERSONAL PROPERTY OR SERVICES SHALL NOT LOSE THEIR CHARACTER AS PAYMENTS OF A FIXED SUM BECAUSE OF CONTRACT, LEASE, OR LICENSE PROVISIONS FOR ADJUSTMENTS IN CHARGES, RENTALS OR FEES ON ACCOUNT OF CHANGES IN TAXES OR ASSESSMENTS, COST-OF-LIVING INDEX ESCALATIONS, EXPANSION OR IMPROVEMENT OF FACILITIES, OR CHANGES IN SERVICES SUPPLIED.

(B) AGREEMENTS BETWEEN A GAMING FACILITY LICENSEE AND A JUNKET ENTERPRISE OR JUNKET REPRESENTATIVE LICENSED, QUALIFIED OR REGISTERED IN ACCORDANCE WITH THE PROVISIONS THIS ARTICLE AND THE REGULATIONS OF THE COMMISSION WHICH PROVIDE FOR THE COMPENSATION OF THE JUNKET ENTERPRISE OR JUNKET REPRESENTATIVE BY THE GAMING FACILITY LICENSEE BASED UPON THE ACTUAL GAMING ACTIVITIES OF A PATRON PROCURED OR REFERRED BY THE JUNKET ENTERPRISE OR JUNKET REPRESENTATIVE SHALL BE LAWFUL IF FILED WITH THE COMMISSION PRIOR TO THE CONDUCT OF ANY JUNKET THAT IS GOVERNED BY THE AGREEMENT.

(C) AGREEMENTS BETWEEN A GAMING FACILITY LICENSEE AND ITS EMPLOYEES WHICH PROVIDE FOR GAMING EMPLOYEE OR CASINO KEY EMPLOYEE PROFIT SHARING SHALL BE LAWFUL IF THE AGREEMENT IS IN WRITING AND FILED WITH THE COMMISSION PRIOR TO ITS EFFECTIVE DATE. SUCH AGREEMENTS MAY BE REVIEWED BY THE COMMISSION.

UNDER AND AGREEMENTS FOR THE COMPLETE MANAGEMENT OF ALL GAMING OPER-
ATIONS IN A GAMING FACILITY SHALL NOT BE SUBJECT TO THE PROVISIONS OF
THIS SUBDIVISION.

(E) AGREEMENTS WHICH PROVIDE FOR PERCENTAGE CHARGES BETWEEN THE GAMING
FACILITY LICENSEE AND A HOLDING COMPANY OR INTERMEDIARY COMPANY OF THE
GAMING FACILITY LICENSEE SHALL BE IN WRITING AND FILED WITH THE COMMIS-

(F) WRITTEN AGREEMENTS RELATING TO THE OPERATION OF MULTI-CASINO OR
MULTI-STATE PROGRESSIVE SLOT MACHINE SYSTEMS BETWEEN ONE OR MORE GAMING

AGE OR SHARE OF THE GAMING FACILITY LICENSEE'S REVENUES, PROFITS OR
EARNINGS FROM THE OPERATION OF SUCH MULTI-CASINO OR MULTI-STATE PROGRES-
SIVE SLOT MACHINES TO BE PAID TO THE CASINO VENDOR ENTERPRISE LICENSEE
OR APPLICANT SHALL NOT BE SUBJECT TO THE PROVISIONS OF THIS SUBDIVISION
IF THE AGREEMENTS ARE FILED WITH AND APPROVED BY THE COMMISSION.

2. EACH GAMING FACILITY APPLICANT OR LICENSEE SHALL MAINTAIN, IN
ACCORDANCE WITH THE RULES OF THE COMMISSION, A RECORD OF EACH WRITTEN OR
UNWRITTEN AGREEMENT REGARDING THE REALTY, CONSTRUCTION, MAINTENANCE, OR
BUSINESS OF A PROPOSED OR EXISTING GAMING FACILITY OR RELATED FACILITY.
THE FOREGOING OBLIGATION SHALL APPLY REGARDLESS OF WHETHER THE GAMING
FACILITY APPLICANT OR LICENSEE IS A PARTY TO THE AGREEMENT. ANY SUCH
AGREEMENT MAY BE REVIEWED BY THE COMMISSION ON THE BASIS OF THE REASON-
ABLENESS OF ITS TERMS, INCLUDING THE TERMS OF COMPENSATION, AND OF THE
QUALIFICATIONS OF THE OWNERS, OFFICERS, EMPLOYEES, AND DIRECTORS OF ANY
ENTERPRISE INVOLVED IN THE AGREEMENT, WHICH QUALIFICATIONS SHALL BE
REVIEWED ACCORDING TO THE STANDARDS ENUMERATED IN SECTION ONE THOUSAND
THREE HUNDRED TWENTY-THREE OF THIS ARTICLE. IF THE COMMISSION DISAP-
PROVES SUCH AN AGREEMENT OR THE OWNERS, OFFICERS, EMPLOYEES, OR DIREC-
TORS OF ANY ENTERPRISE INVOLVED THEREIN, THE COMMISSION MAY REQUIRE ITS
TERMINATION.

EVERY AGREEMENT REQUIRED TO BE MAINTAINED, AND EVERY RELATED AGREEMENT
THE PERFORMANCE OF WHICH IS DEPENDENT UPON THE PERFORMANCE OF ANY SUCH
AGREEMENT, SHALL BE DEEMED TO INCLUDE A PROVISION TO THE EFFECT THAT, IF
THE COMMISSION SHALL REQUIRE TERMINATION OF AN AGREEMENT, SUCH TERMI-
NATION SHALL OCCUR WITHOUT LIABILITY ON THE PART OF THE GAMING FACILITY
APPLICANT OR LICENSEE OR ANY QUALIFIED PARTY TO THE AGREEMENT OR ANY
RELATED AGREEMENT. FAILURE EXPRESSLY TO INCLUDE SUCH A PROVISION IN THE
AGREEMENT SHALL NOT CONSTITUTE A DEFENSE IN ANY ACTION BROUGHT TO TERMI-
NATE THE AGREEMENT. IF THE AGREEMENT IS NOT MAINTAINED OR PRESENTED TO
THE COMMISSION IN ACCORDANCE WITH COMMISSION REGULATIONS, OR THE DISAP-
PROVED AGREEMENT IS NOT TERMINATED, THE COMMISSION MAY PURSUE ANY REMEDY
OR COMBINATION OF REMEDIES PROVIDED IN THIS ARTICLE.

FOR THE PURPOSES OF THIS SUBDIVISION, "GAMING FACILITY APPLICANT"
INCLUDES ANY PERSON REQUIRED TO HOLD A GAMING FACILITY LICENSE WHO HAS
APPLIED TO THE COMMISSION FOR A GAMING FACILITY LICENSE OR ANY APPROVAL
REQUIRED.

3. NOTHING IN THIS ARTICLE SHALL BE DEEMED TO PERMIT THE TRANSFER OF
ANY LICENSE, OR ANY INTEREST IN ANY LICENSE, OR ANY CERTIFICATE OF
COMPLIANCE OR ANY COMMITMENT OR RESERVATION WITHOUT THE APPROVAL OF THE
COMMISSION.

S 1342. REQUIRED EXCLUSION OF CERTAIN PERSONS. 1. THE COMMISSION
SHALL, BY REGULATION, PROVIDE FOR THE ESTABLISHMENT OF A LIST OF PERSONS
WHO ARE TO BE EXCLUDED OR EJECTED FROM ANY LICENSED GAMING FACILITY.

S. 5883

46

A. 8101

SUCH PROVISIONS SHALL DEFINE THE STANDARDS FOR EXCLUSION, AND SHALL INCLUDE STANDARDS RELATING TO PERSONS:

(A) WHO ARE CAREER OR PROFESSIONAL OFFENDERS AS DEFINED BY REGULATIONS PROMULGATED HEREUNDER; OR

(B) WHO HAVE BEEN CONVICTED OF A CRIMINAL OFFENSE UNDER THE LAWS OF ANY STATE OR OF THE UNITED STATES, WHICH IS PUNISHABLE BY MORE THAN TWELVE MONTHS IN PRISON, OR ANY CRIME OR OFFENSE INVOLVING MORAL TURPITUDE.

THE COMMISSION SHALL PROMULGATE DEFINITIONS ESTABLISHING THOSE CATEGORIES OF PERSONS WHO SHALL BE EXCLUDED PURSUANT TO THIS SECTION, INCLUDING CHEATS AND PERSONS WHOSE PRIVILEGES FOR LICENSURE OR REGISTRATION HAVE BEEN REVOKED.

2. ANY ENUMERATED CLASS LISTED IN SUBDIVISION ONE OF SECTION TWO HUNDRED NINETY-SIX OF THE HUMAN RIGHTS LAW SHALL NOT BE A REASON FOR PLACING THE NAME OF ANY PERSON UPON SUCH LIST.

3. THE COMMISSION MAY IMPOSE SANCTIONS UPON A LICENSED GAMING FACILITY OR INDIVIDUAL LICENSEE OR REGISTRANT IN ACCORDANCE WITH THE PROVISIONS OF THIS ARTICLE IF SUCH GAMING FACILITY OR INDIVIDUAL LICENSEE OR REGISTRANT KNOWINGLY FAILS TO EXCLUDE OR EJECT FROM THE PREMISES OF ANY LICENSED GAMING FACILITY ANY PERSON PLACED BY THE COMMISSION ON THE LIST OF PERSONS TO BE EXCLUDED OR EJECTED.

4. ANY LIST COMPILED BY THE COMMISSION OF PERSONS TO BE EXCLUDED OR EJECTED SHALL NOT BE DEEMED AN ALL-INCLUSIVE LIST, AND LICENSED GAMING FACILITIES SHALL HAVE A DUTY TO KEEP FROM THEIR PREMISES PERSONS KNOWN TO THEM TO BE WITHIN THE CLASSIFICATIONS DECLARED IN SUBDIVISIONS ONE AND TWO OF THIS SECTION AND THE REGULATIONS PROMULGATED THEREUNDER, OR KNOWN TO THEM TO BE PERSONS WHOSE PRESENCE IN A LICENSED GAMING FACILITY WOULD BE INIMICAL TO THE INTEREST OF THE STATE OR OF LICENSED GAMING THEREIN, OR BOTH, AS DEFINED IN STANDARDS ESTABLISHED BY THE COMMISSION.

5. PRIOR TO PLACING THE NAME OF ANY PERSON ON A LIST PURSUANT TO THIS SECTION, THE COMMISSION SHALL SERVE NOTICE OF SUCH FACT AND OF THE OPPORTUNITY FOR A HEARING TO SUCH PERSON BY PERSONAL SERVICE OR BY CERTIFIED MAIL AT THE LAST KNOWN ADDRESS OF SUCH PERSON.

6. WITHIN THIRTY DAYS AFTER SERVICE OF THE PETITION IN ACCORDANCE WITH SUBDIVISION FIVE OF THIS SECTION, THE PERSON NAMED FOR EXCLUSION OR EJECTION MAY DEMAND A HEARING BEFORE THE EXECUTIVE DIRECTOR OR THE EXECUTIVE DIRECTOR'S DESIGNEE, AT WHICH HEARING THE EXECUTIVE DIRECTOR OR THE EXECUTIVE DIRECTOR'S DESIGNEE SHALL HAVE THE AFFIRMATIVE OBLIGATION TO DEMONSTRATE BY SUBSTANTIAL EVIDENCE THAT THE PERSON NAMED FOR EXCLUSION OR EJECTION SATISFIES THE CRITERIA FOR EXCLUSION ESTABLISHED BY THIS SECTION AND THE APPLICABLE REGULATIONS. FAILURE TO DEMAND SUCH A HEARING WITHIN THIRTY DAYS AFTER SERVICE SHALL PRECLUDE A PERSON FROM HAVING AN ADMINISTRATIVE HEARING, BUT SHALL IN NO WAY AFFECT HIS OR HER RIGHT TO JUDICIAL REVIEW AS PROVIDED HEREIN.

7. THE COMMISSION MAY MAKE A PRELIMINARY PLACEMENT ON THE LIST OF A PERSON NAMED IN A PETITION FOR EXCLUSION OR EJECTION PENDING COMPLETION OF A HEARING ON THE PETITION. THE HEARING ON THE APPLICATION FOR PRELIMINARY PLACEMENT SHALL BE A LIMITED PROCEEDING AT WHICH THE COMMISSION SHALL HAVE THE AFFIRMATIVE OBLIGATION TO DEMONSTRATE BY SUBSTANTIAL EVIDENCE THAT THE PERSON SATISFIES THE CRITERIA FOR EXCLUSION ESTABLISHED BY THIS SECTION AND THE APPLICABLE REGULATIONS. IF A PERSON HAS BEEN PLACED ON THE LIST AS A RESULT OF AN APPLICATION FOR PRELIMINARY PLACEMENT, UNLESS OTHERWISE AGREED BY THE EXECUTIVE DIRECTOR AND THE NAMED PERSON, A HEARING ON THE PETITION FOR EXCLUSION OR EJECTION SHALL BE INITIATED WITHIN THIRTY DAYS AFTER THE RECEIPT OF A DEMAND FOR SUCH

S. 5883

47

A. 8101

HEARING OR THE DATE OF PRELIMINARY PLACEMENT ON THE LIST, WHICHEVER IS LATER.

8. IF, UPON COMPLETION OF THE HEARING ON THE PETITION FOR EXCLUSION OR EJECTION, THE EXECUTIVE DIRECTOR DETERMINES THAT THE PERSON NAMED THEREIN DOES NOT SATISFY THE CRITERIA FOR EXCLUSION ESTABLISHED BY THIS SECTION AND THE APPLICABLE REGULATIONS, THE EXECUTIVE DIRECTOR SHALL ISSUE AN ORDER DENYING THE PETITION. IF THE PERSON NAMED IN THE PETITION FOR EXCLUSION OR EJECTION HAD BEEN PLACED ON THE LIST AS A RESULT OF AN APPLICATION FOR PRELIMINARY PLACEMENT, THE EXECUTIVE DIRECTOR SHALL NOTIFY ALL GAMING FACILITY LICENSEES OF THE PERSON'S REMOVAL FROM THE LIST.

9. IF, UPON COMPLETION OF A HEARING ON THE PETITION FOR EXCLUSION OR EJECTION, THE EXECUTIVE DIRECTOR DETERMINES THAT PLACEMENT OF THE NAME OF THE PERSON ON THE EXCLUSION LIST IS APPROPRIATE, THE EXECUTIVE DIRECTOR SHALL MAKE AND ENTER AN ORDER TO THAT EFFECT, WHICH ORDER SHALL BE SERVED ON ALL GAMING FACILITY LICENSEES. SUCH ORDER SHALL BE SUBJECT TO REVIEW BY THE COMMISSION IN ACCORDANCE WITH REGULATIONS PROMULGATED THEREUNDER, WHICH FINAL DECISION SHALL BE SUBJECT TO REVIEW PURSUANT TO ARTICLE SEVENTY-EIGHT OF THE CIVIL PRACTICE LAW AND RULES.

S 1343. EXCLUSION, EJECTION OF CERTAIN PERSONS. 1. A GAMING FACILITY LICENSEE MAY EXCLUDE OR EJECT FROM ITS GAMING FACILITY ANY PERSON WHO IS KNOWN TO IT TO HAVE BEEN CONVICTED OF A CRIME OR DISORDERLY CONDUCT COMMITTED IN OR ON THE PREMISES OF ANY GAMING FACILITY.

2. NOTHING IN THIS SECTION OR IN ANY OTHER LAW OF THIS STATE SHALL LIMIT THE RIGHT OF A GAMING FACILITY LICENSEE TO EXERCISE ITS COMMON LAW RIGHT TO EXCLUDE OR EJECT PERMANENTLY FROM ITS GAMING FACILITY ANY PERSON WHO DISRUPTS THE OPERATIONS OF ITS PREMISES, THREATENS THE SECURITY OF ITS PREMISES OR ITS OCCUPANTS, OR IS DISORDERLY OR INTOXICATED.

S 1344. LIST OF PERSONS SELF-EXCLUDED FROM GAMING ACTIVITIES. 1. THE COMMISSION SHALL PROVIDE BY REGULATION FOR THE ESTABLISHMENT OF A LIST OF PERSONS SELF-EXCLUDED FROM GAMING ACTIVITIES AT ALL LICENSED GAMING FACILITIES. ANY PERSON MAY REQUEST PLACEMENT ON THE LIST OF SELF-EXCLUDED PERSONS BY ACKNOWLEDGING IN A MANNER TO BE ESTABLISHED BY THE COMMISSION THAT THE PERSON IS A PROBLEM GAMBLER AND BY AGREEING THAT, DURING ANY PERIOD OF VOLUNTARY EXCLUSION, THE PERSON MAY NOT COLLECT ANY WINNINGS OR RECOVER ANY LOSSES RESULTING FROM ANY GAMING ACTIVITY AT SUCH GAMING FACILITIES.

2. THE REGULATIONS OF THE COMMISSION SHALL ESTABLISH PROCEDURES FOR PLACEMENTS ON, AND REMOVALS FROM, THE LIST OF SELF-EXCLUDED PERSONS. 22. THE COMMISSION SHALL ANNUALLY CONDUCT AN EVALUATION OF VIDEO LOTTERY GAMING TO CONSIDER THE VARIOUS COMPETITIVE FACTORS IMPACTING SUCH INDUSTRY AND SHALL CONSIDER ADMINISTRATIVE CHANGES THAT MAY BE NECESSARY TO ENSURE A COMPETITIVE INDUSTRY AND PRESERVE ITS PRIMARY FUNCTION OF RAISING REVENUE FOR PUBLIC EDUCATION.

S 37. Clause (H) of subparagraph (ii) of paragraph 1 of subdivision b of section 1612 of the tax law, as amended by chapter 454 of the laws of 2012, is amended to read as follows:

(H) notwithstanding clauses (A), (B), (C), (D), (E), (F) and (G) of this subparagraph, the track operator of a vendor track shall be eligible for a vendor's capital award of up to four percent of the total revenue wagered at the vendor track after payout for prizes pursuant to this chapter, which shall be used exclusively for capital project investments to improve the facilities of the vendor track which promote or encourage increased attendance at the video lottery gaming facility including, but not limited to hotels, other lodging facilities, entertainment facilities, retail facilities, dining facilities, events arenas, parking garages and other improvements that enhance facility amenities; provided that such capital investments shall be approved by the division, in consultation with the state racing and wagering board, and that such vendor track demonstrates that such capital expenditures will increase patronage at such vendor track's facilities and increase the amount of revenue generated to support state education programs. The annual amount of such vendor's capital awards that a vendor track shall be eligible to receive shall be limited to two million five hundred thousand dollars, except for Aqueduct racetrack, for which there shall be no vendor's capital awards. Except for tracks having less than one thousand one hundred video gaming machines, AND EXCEPT FOR A VENDOR TRACK LOCATED WEST OF STATE ROUTE 14 FROM SODUS POINT TO THE PENNSYLVANIA BORDER WITHIN NEW YORK, each track operator shall be required to co-invest an amount of capital expenditure equal to its cumulative vendor's capital award. For all tracks, except for Aqueduct racetrack, the amount of any vendor's capital award that is not used during any one year period may be carried over into subsequent years ending before April first, two thousand fourteen. Any amount attributable to a capital expenditure approved prior to April first, two thousand fourteen and completed before April first, two thousand sixteen; OR APPROVED PRIOR TO APRIL FIRST, TWO THOUSAND EIGHTEEN AND COMPLETED BEFORE APRIL FIRST, TWO THOUSAND TWENTY FOR A VENDOR TRACK LOCATED WEST OF STATE ROUTE 14 FROM

SODUS POINT TO THE PENNSYLVANIA BORDER WITHIN NEW YORK, shall be eligible to receive the vendor's capital award. In the event that a vendor track's capital expenditures, approved by the division prior to April first, two thousand fourteen and completed prior to April first, two thousand sixteen, exceed the vendor track's cumulative capital award during the five year period ending April first, two thousand fourteen, the vendor shall continue to receive the capital award after April first, two thousand fourteen until such approved capital expenditures are paid to the vendor track subject to any required co-investment. In no event shall any vendor track that receives a vendor fee pursuant to clause (F) or (G) of this subparagraph be eligible for a vendor's capital award under this section. Any operator of a vendor track which has received a vendor's capital award, choosing to divest the capital improvement toward which the award was applied, prior to the full depreciation of the capital improvement in accordance with generally accepted accounting principles, shall reimburse the state in amounts equal to the total of any such awards. Any capital award not approved for a capital expenditure at a video lottery gaming facility by April first, two thousand fourteen shall be deposited into the state lottery fund for education aid; and

S 38. Item (iii) of clause (I) of subparagraph (ii) of paragraph 1 of subdivision b of section 1612 of the tax law, as added by section 1 of part O of chapter 61 of the laws of 2011, is amended to read as follows:

(iii) less an additional vendor's marketing allowance at a rate of ten percent for the first one hundred million dollars annually and eight percent thereafter of the total revenue wagered at the vendor track after payout for prizes to be used by the vendor track for the marketing and promotion and associated costs of its video lottery gaming operations and pari-mutuel horse racing operations, as long as any such costs associated with pari-mutuel horse racing operations simultaneously encourage increased attendance at such vendor's video lottery gaming facilities, consistent with the customary manner of marketing comparable operations in the industry and subject to the overall supervision of the division; provided, however, that the additional vendor's marketing allowance shall not exceed eight percent in any year for any operator of a racetrack located in the county of Westchester or Queens; provided, however, a vendor track that receives a vendor fee pursuant to clause (G) of subparagraph (ii) of this paragraph shall not receive the additional vendor's marketing allowance; PROVIDED, HOWEVER, EXCEPT FOR A VENDOR TRACK LOCATED WEST OF STATE ROUTE 14 FROM SODUS POINT TO THE PENNSYLVANIA BORDER WITHIN NEW YORK SHALL CONTINUE TO RECEIVE A MARKETING ALLOWANCE OF TEN PERCENT ON TOTAL REVENUE WAGERED AT THE VENDOR TRACK AFTER PAYOUT FOR PRIZES IN EXCESS OF ONE HUNDRED MILLION DOLLARS ANNUALLY. In establishing the vendor fee, the division shall ensure the maximum lottery support for education while also ensuring the effective implementation of section sixteen hundred seventeen-a of this article through the provision of reasonable reimbursements and compensation to vendor tracks for participation in such program. Within twenty days after any award of lottery prizes, the division shall pay into the state treasury, to the credit of the state lottery fund, the balance of all moneys received from the sale of all tickets for the lottery in which such prizes were awarded remaining after provision for the payment of prizes as herein provided. Any revenues derived from the sale of advertising on lottery tickets shall be deposited in the state lottery fund.

PORTION OF ITS VENDOR FEES, RECEIVED PURSUANT TO CLAUSE (A), (B), (C), (D), (E), (F), OR (G) OF SUBPARAGRAPH (II) OF PARAGRAPH ONE OF THIS SUBDIVISION, SOLELY FOR THE PURPOSE OF ENHANCING PURSES AT SUCH TRACK, IN AN AMOUNT EQUAL TO EIGHT AND THREE-QUARTERS PERCENT OF THE TOTAL REVENUE WAGERED AT THE VENDOR TRACK AFTER PAY OUT FOR PRIZES. ONE PERCENT OF SUCH PURSE ENHANCEMENT AMOUNT SHALL BE PAID TO THE GAMING COMMISSION TO BE USED EXCLUSIVELY TO PROMOTE AND ENSURE EQUINE HEALTH AND SAFETY IN NEW YORK. Provided, further, that nothing in this paragraph shall prevent each track from entering into an agreement, not to exceed five years, with the organization authorized to represent its horsemen to increase or decrease the portion of its vendor fee dedicated to enhancing purses at such track during the years of participation by such track, or to race fewer dates than required herein.

3. Nothing in paragraph two of this subdivision shall affect any agreement in effect on or before the effective date of this paragraph, except that the obligation to pay funds to the gaming commission to promote and ensure equine health and safety shall supersede any provision to the contrary in any such agreement.

c. 1. The specifications for video lottery gaming, including any joint, multi-jurisdiction, and out-of-state video lottery gaming, shall be designed in such a manner as to pay prizes that average no less than ninety percent of sales.

2. Of the ten percent retained by the division for administrative purposes, any amounts beyond that which are necessary for the operation and administration of this pilot program shall be deposited in the lottery education account.

d. Notwithstanding any law, rule or regulation to the contrary, any successor to the New York Racing Association, Inc. with respect to the operation and maintenance of video lottery gaming at Aqueduct racetrack shall be deemed the successor to the New York Racing Association, Inc. for purposes of being subject to existing contracts and loan agreements, if any, entered into by the New York Racing Association, Inc. directly related to the construction, operation, management and distribution of revenues of the video lottery gaming facility at Aqueduct racetrack.

e. The video lottery gaming operator selected to operate a video lottery terminal facility at Aqueduct will be subject to a memorandum of understanding between the governor, temporary president of the senate and the speaker of the assembly. Notwithstanding subparagraph (i) of paragraph a of subdivision eight of section two hundred twelve of the racing, pari-mutuel wagering and breeding law, the state, pursuant to an agreement with the video lottery gaming operator to operate a video lottery terminal facility at Aqueduct, may authorize, as part of such agreement or in conjunction with such agreement at the time it is executed, additional development at the Aqueduct racing facility. The selection will be made in consultation with the franchised corporation,

but is not subject to such corporation's approval. The franchised corporation shall not be eligible to compete to operate or to operate a video lottery terminal facility at Aqueduct. The state will use its best efforts to ensure that the video lottery terminal facility at Aqueduct is opened as soon as is practicable and will, if practicable, pursue the construction of a temporary video lottery terminal facility at Aqueduct subject to staying within an agreed budget for such video lottery terminal facility and subject to such temporary facility not having an adverse impact on opening of the permanent facility at Aqueduct. To facilitate the opening of the video lottery gaming facility at Aqueduct as soon as is practicable, the division of the lottery may extend the term of any existing contract related to the video lottery system.

f. As consideration for the operation of the video lottery gaming facility at Aqueduct racetrack, the division shall cause the investment in the racing industry of the following percentages of the vendor fee to be deposited or paid, as follows:

1.
